PUBLIC HEARING

In accordance with the Massachusetts Wetlands Protection Act, M.G.L. Chapter 131, Section 40, the BOSTON CONSERVATION COMMISSION will hold a public hearing in Boston City Hall, Room 801 on June 1, 2011 to review the following projects to determine what conditions, if any, the Commission will impose in order to protect the interests of the public and private water supply, ground water, prevention of pollution, flood control, prevention of storm damage, protection of fisheries and land containing shellfish, and protection of wildlife habitat:

6:00 PM Notice of Intent from the Camp Harborview Foundation to extend the height of an existing concrete seawall and construct a gravel and clay berm inland from the seawall, Long Island Road, Long Island, Boston Harbor (Coastal Bank, Land Subject to Coastal Storm Flowage).

6:15 PM Notice of Intent from Forest Hills Cemetery for the management of nuisance aquatic vegetation and algae in Lake Hibiscus, 95 Forest Hills Ave., Jamaica Plain (Land Under Waterbodies).

6:30 PM Notice of Intent from the Massachusetts Port Authority for the Seafarer's Way Project at Conley Terminal involving the construction of a paved walkway with fencing and lighting, and removal of a fuel line and guard rail, at East 1st Street, South Boston, Reserved Channel (Designated Port Area, 100-foot Buffer Zone to Coastal Bank).

6:45 PM Notice of Intent from the Massachusetts Department of Conservation and Recreation for the installation of a temporary float dock at Georges Island involving the demolition of portions of existing timber piers, removal of timber pile clusters, construction of a new timber deck and installation of steel mooring piles, Boston Harbor (Land Under Ocean, Land Subject to Coastal Storm Flowage).

7:00 PM Request for Determination of Applicability from Shipway Condominiums for the removal of existing concrete paving, replacement of portions of pavement and landscape improvements, at Thirteenth Street, Charlestown Navy Yard, Charlestown, Boston Inner Harbor (100-foot Buffer Zone to Costal Bank).

7:15 PM *Updates and General Business:*

Update from the Massachusetts Port Authority on the Green Bus Depot Project, **DEP File No. 006-1260**, and ongoing meetings with City agencies and community groups on greenway connection alternatives.

Sign Language interpreters are available upon prior request. The Commission will hold a public meeting immediately following the last hearing or as appropriate following any hearing. Plans and filings with the Commission may be viewed at the Environment Department, Boston City Hall, Room 805, during regular business hours, 9 AM to 5 PM Monday through Friday. For more information, call (617) 635-4417.

For the Commission,
