The MassDOT Office of Transportation Planning will present findings and recommendations for the Green Line Extension Project. This project will improve transit service, mobility, and regional access in Cambridge, Somerville, and Medford. Members of the public, agency representatives, and other project stakeholders are invited to attend the hearing and to make comments on the project. Formal comments on the environmental document must be submitted in writing to the MEPA office (address on left).

Copies of the DEIR/EA document are available in libraries in the Green Line Extension communities; on the project website; and by request from Regan Checchio (617-357-5772 x 14 or rchecchio@reginavilla.com).

Written comments on the project should be sent to:
