Tax Payment

The filing of an application does not mean you can postpone the payment of your tax.

The elderly personal exemption provides assistance to elderly taxpayers over 65 years of age who meet income, whole estate and residency requirements.

What is a personal exemption?

A personal exemption reduces all or a portion of the taxes assessed on a parcel of property. You may not receive more than one personal exemption. However, if you qualify for two or more exemptions, you will receive the exemption that saves you the most money.

What is the exemption amount?

Taxpayers who are eligible for personal exemption 41C* will receive a reduction in their tax liability of \$750. In addition, the City of Boston has elected to provide additional relief of up to \$750, provided that the additional amount does not:

1. Reduce your final tax bill below the amount of tax you owed in the previous year; and
2. Reduce the taxable value of your property below 10 % of the assessed value.

How Do I Apply?

File an application with the Assessing Department, Room 301, City Hall, Boston, MA 02201 within three months of the mailing date of the third quarter tax bill.

Renewals: If you were granted an exemption last year, the Assessing Department will send you a renewal application. However, it is your responsibility to ensure that a renewal is filed each year.

New Applicants: To obtain an application contact the Taxpayer Referral & Assistance Center (TRAC) at (617) 635-4287. Supporting documentation, including a certificate of blindness and other materials will be requested. The application is also available online after the third quarter tax bill is issued at www.cityofboston.gov/assessing. Go to **FORMS** on the menu.
