What is RSVP?

RSVP is a group of people 55 years and older who volunteer in their community to make a difference.

Benefits of RSVP:

RSVP volunteers are eligible for reimbursement of some out-of-pocket expenses while volunteering, such as travel costs and meals, subject to station regulations. All RSVP volunteers receive free supplemental accident insurance while volunteering and an invitation to an annual recognition event.

What is Renew Boston?

Mayor Thomas M. Menino's Renew Boston Initiative allows Boston Landlords and Residents the opportunity to save money on their energy bills, receive a free comprehensive home energy assessment, rebates up to \$3,500 for insulation and air sealing, and other free energy products depending on the home assessment.
