Fios[®]

TV
Terms of Service

Fios
A NETWORK AHEAD

This Agreement sets forth the terms and conditions under which you the subscriber ("you," "your" or "Subscriber") agree to use Verizon Fios TV (the "Service," including Equipment and Programming) and under which the Verizon affiliates ("Verizon," "us" or "we,") identified in Exhibit A agree to provide Fios TV to you.

THIS IS A CONTRACT. PLEASE READ THESE TERMS CAREFULLY AS THEY CONTAIN IMPORTANT INFORMATION REGARDING YOUR RIGHTS AND OBLIGATIONS, AND OURS.

IF YOU DO NOT AGREE TO THESE TERMS, DO NOT USE THE SERVICE AND CONTACT US IMMEDIATELY TO TERMINATE IT.

1. ACCEPTANCE OF AGREEMENT; AGREEMENT TERMS GENERALLY INCLUDED.

This Agreement starts when you accept it. By accepting this Agreement, you and any other users of Fios TV within your premises are bound by its conditions. Your acceptance of this Agreement occurs upon the earlier of: (a) your electronic or oral acceptance during the submission of your order; or (b) your use of the Service. This Agreement will end when you or we terminate this Agreement as permitted below.

This Agreement includes the terms and conditions set forth below, the specific elements of your Service or Bundled Services plan, including the pricing, duration, applicable Early Termination Fee ("ETF"), and Equipment pricing, all as described in the information made available to you when placing and confirming your order, as well as our Privacy Policy applicable to Fios TV services and the other policies and materials specifically referred to in this Agreement, all of which are incorporated into this Agreement by reference. Please retain a copy of this Agreement for your records.

2. DEFINITIONS.

The term "Service" means Verizon's Fios TV, including, without limitation, all Programming, Equipment, media or program guides, software, technical support, and other features, products and services provided as part of and included with our television service, including the On Demand services described in Exhibit A (the "On Demand Services"). The Service does not include voice telephony service or any Verizon internet services. The term "Equipment" means equipment provided by Verizon to you for use with the Service, including any digital adapter, set top box, digital video recorder, video media server, peripheral devices, or routers provided to you by Verizon that are either rented by you or otherwise required to be returned to Verizon upon termination or

cancellation of Service, along with any software contained in or downloaded to such Equipment as part of the Service. The term "Equipment" does not include any router, remote control, or other device that you purchase from Verizon or a third party, or any remote control that is provided to you by Verizon (such routers, remote controls, and other devices are referred to herein as "Other Devices"). The term "Premises" refers to the physical location at which the Service has been installed. "Programming" means content provided by Verizon or its third-party licensors, providers or suppliers and provided as part of and included with the Service, including, without limitation, images, photographs, animations, video programming, information services, audio, music, and text, irrespective of the manner or format in which such content is delivered. The term "Bundled Services" means a combination or "bundle" of Verizon Fios TV with one or more eligible Verizon services, including but not limited to Verizon Fios Internet Service, Verizon Freedom Essentials or Fios Digital Voice service or Verizon ONE-BILL® service. Verizon Fios TV Equipment, and Other Devices, may be offered and priced separately from Bundled Service offers.

3. SERVICE CHANGES.

Subject to applicable law, we reserve the right to change, rearrange, add, delete or otherwise modify the Service at any time, with or without prior notice to you, including changing, rearranging or otherwise modifying our Programming packages, the selections available in those packages, the Equipment, any Other Devices, and any other features, products and services that we offer. Verizon or its suppliers may, without notice or liability, restrict the use of any Services or limit its time of availability in order to perform maintenance activities and to maintain security.

4. USE OF THE SERVICE.

(a) You agree to use the Service only for your private non-commercial use and own personal viewing enjoyment. The Programming distributed via the Service may not be viewed or otherwise displayed in areas open to the public, including, without limitation, commercial establishments, with the exception of On Demand usage or as otherwise specifically authorized by us in writing. You may not rebroadcast or transmit the Programming or charge admission for its viewing. You may not take any actions to alter or avoid any security or access controls or restrictions associated with the Service, Equipment, or Other Devices.

(b) You are responsible for all use of the Service, whether by you or someone using the Service with or without your permission. You agree not to use the Service, directly or indirectly, for any unlawful purpose, including without limitation, violation of the copyright laws through the use, production, copying, rebroadcast or redistribution of any Programming distributed as part of the Service or recorded utilizing equipment containing digital video recording

devices. You further agree that your use of the Service is your sole responsibility, at your own risk, and subject to all applicable local, state, and federal laws and regulations. We, in our sole discretion, or any Programming provider, may prosecute you and other responsible parties under applicable federal, state and local laws in the event that the Service is used for an unlawful purpose. As described in more detail in Section 13 below, you agree to indemnify us in the event of any such violation by you or anyone using the Service at the Premises.

(c) You understand and agree that not all Programming may be suitable for all viewers, and users of the Service may have access to Programming that may be sexually explicit, obscene, offensive, or otherwise unsuitable or objectionable, especially for children under the age of eighteen (18). You further understand and agree that it is your responsibility to impose any viewing restrictions you determine are appropriate to limit viewing and access to potentially objectionable material, and you agree to supervise usage of the Service. YOU AGREE THAT WE ARE NOT RESPONSIBLE TO YOU OR ANYONE ELSE VIEWING PROGRAMMING OR INFORMATION PROVIDED ON, OR ACCESSED THROUGH, THE SERVICE FOR ANY CONTENT THAT YOU OR OTHERS MAY DEEM TO BE OBJECTIONABLE FOR ANY REASON AND YOU WAIVE ANY CLAIMS AGAINST US FOR ANY INJURY OR HARM RELATING TO SUCH CONTENT OR THE VIEWING OF PROGRAMMING. YOU FURTHER UNDERSTAND AND AGREE THAT WE ARE NOT RESPONSIBLE FOR THE INFORMATION OR MATERIALS ACCESSIBLE VIA THE INTERNET THROUGH USE OF THE SERVICE. IN ADDITION, YOU AGREE THAT YOU ARE SOLELY RESPONSIBLE FOR ANY PURCHASES OR OTHER TRANSACTIONS MADE THROUGH, USING, OR IN CONNECTION WITH THE SERVICE, INCLUDING ANY ON DEMAND PURCHASES.

(d) Verizon may enable you to access and view Programming, including On Demand Services, in a variety of ways: (i) by streaming Programming to your TV through Equipment or Other Devices; (ii) by downloading Programming to your PC through either a website or via Access Software; (iii) by downloading Programming to an authorized and compatible wireless handset or portable device supporting media playback; or (iv) by streaming to your PC or portable/wireless device. The streaming and downloading technology employed by Verizon may vary among devices and software applications.

5. SOFTWARE LICENSES AND THIRD-PARTY SERVICES.

(a) We may provide you, for a fee or at no charge, software that may be required for use in connection with the Service which is owned by us or our third-party licensors, providers and suppliers ("Software" or "Access Software"). We reserve the right periodically to update, upgrade or change the Software remotely or

otherwise and to make related changes to the settings and software on your computer, the Equipment, or any Other Devices, and you agree to permit such changes and access to your computer, the Equipment, and any Other Devices. You may use the Software only in connection with the Service and for no other purpose.

(b) Certain Software may be accompanied by an end-user license agreement ("EULA") from us or a third party. Your use of the Software is governed by the terms of that EULA and by this Agreement, where applicable. You may not install or use any Software that is accompanied by or includes a EULA unless you first agree to the terms of the EULA.

(c) For Software not accompanied by a EULA, you are hereby granted a revocable, nonexclusive, nontransferable license by us or our third-party licensor(s) to use the Software (and any corrections, updates and upgrades thereto). You may not make any copies of the Software. You agree that the Software is confidential information of Verizon or its third-party licensors and that you will not disclose or use the Software except as expressly permitted herein. The Software contains copyrighted material, trade secrets, patents, and proprietary information owned by us or our third-party licensors. You may not de-compile, reverse engineer, disassemble, attempt to discover any source code or underlying ideas or algorithms of the Software, otherwise reduce the Software to a human readable form, modify, rent, lease, loan, use for timesharing or service bureau purposes, reproduce, sublicense or distribute copies of the Software, or otherwise transfer the Software to any third party. You may not remove or alter any trademark, trade name, copyright or other proprietary notices, legends, symbols or labels appearing on or in copies of the Software. You are not granted any title or rights of ownership in the Software. You acknowledge that this license is not a sale of intellectual property and that we or our third-party licensors continue to own all right, title and interest, including but not limited to all copyright, patent, trademark, trade secret and moral rights, to the Software and related documentation, as well as any corrections, updates and upgrades to it. The Software may be used in the United States only, and any export of the Software is strictly prohibited.

(d) Your license to use the Software will remain in effect until terminated by Verizon or its third-party licensors, or until your Service is terminated. Upon termination of your Service, you must cease all use of and immediately delete the Software from any device not returned to us.

(e) If you subscribe to or otherwise use any third-party services offered by Verizon, your use of such services is subject to the EULA of that third-party provider. Violation of those terms may, in our sole discretion, result in the termination of your Service.

6. AUTHORIZED USER; PREMISES; REFUSAL OF SERVICE.

(a) You acknowledge that you are eighteen (18) years of age or older, and that you have the legal authority to enter into this Agreement. You agree to notify us immediately whenever your personal or billing information changes (including, for example, your name, address, credit card and telephone number).

(b) You agree to allow us and our representatives the right, at reasonable times, to enter the Premises for the purpose of installing, maintaining, servicing, inspecting, upgrading and/or removing the Service (including any Equipment and, subject to and limited by any applicable limited warranty, laws, and/or policies, Other Devices).

(c) You acknowledge and agree that you are either an owner of, or legal tenant in, your Premises, and as such have the right to allow us and our representatives to enter and make modifications to the Premises in connection with the delivery of the Service.

(d) We reserve the right, in our sole discretion, to refuse to provide the Service to you for any reason at any time, consistent with law.

(e) You acknowledge that the Service is subject to U.S. export control laws and regulations. You represent that you are not a citizen of an embargoed country or prohibited end user under applicable U.S. export and anti-terrorism laws, regulations and lists. You will not use, export or allow a third party to use or export the Service in any manner that would violate applicable law, including but not limited to applicable export control laws and regulations. You further agree to comply with U.S. export laws concerning the transmission of technical data and other regulated materials, including the export of any provided equipment, via the Service.

7. PERSONAL DATA AND PRIVACY POLICY.

Verizon will treat your personally identifiable information provided to us in accordance with our current Privacy Policy applicable to Fios TV Services, which is subject to change. A copy of the Privacy Policy applicable to Fios TV Services is available at verizon.com/privacy.

8. CHANGES TO THIS AGREEMENT.

The current version of the terms of this Agreement shall be available on www.verizon.com/terms. From time to time, we will make revisions to this Agreement and to the policies relating to the Service, including revisions to the provisions that govern the way that you and Verizon resolve disputes. We will provide notice of such revisions through the cable system, including the Message Center located in the interactive media guide. You agree to visit the interactive media guide periodically to review any such revisions. Revisions to the terms and conditions shall be effective on the date specified in the notice. Unless we provide otherwise, you accept the

revisions and agree to abide by them by continuing to use the Service after the revisions are effective.

9. EQUIPMENT; MAINTENANCE AND OWNERSHIP OF EQUIPMENT.

(a) We do not guarantee that the Service will work correctly if you use equipment to access the Service other than the Equipment, or Other Devices authorized by Verizon for use in connection with the Service, including but not limited to smartphones, tablets, other portable devices, gaming consoles and internet-ready equipment. We have no responsibility for the operation or support, maintenance or repair of any third-party Other Devices, software or services that you choose to use in connection with the Service or with the Equipment or Other Devices provided by us. We assume no responsibility for the operation of the Service if equipment other than the Equipment or Other Devices authorized by us for use in connection with the Service are used to access the Service.

(b) You acknowledge and agree that at all times ownership of the Equipment shall remain with us and that this Agreement allows you to use Equipment only in connection with your receipt and use of the Service. We may, at our option, supply new or reconditioned Equipment or non-third party Other Devices to you. We will repair and maintain the Equipment owned by us at our expense, unless such repair or maintenance is made necessary due to misuse, abuse or intentional damage to the Equipment, in which case you will be financially responsible for the repair or replacement of the damaged Equipment. Except as set forth in the terms and conditions of any Verizon limited warranty applicable to Other Devices, we have no obligation to repair, replace, or maintain any such Other Devices. You also agree that the Equipment will not be serviced by anyone other than our employees or our designated agents or representatives. You further agree not to tamper with or otherwise harm the Equipment, and that you will not copy, modify, reverse compile or reverse engineer any Equipment or Other Devices, or software or firmware provided by Verizon in connection with the Service. Except as set forth below, upon termination of the Service, or if the occupancy or ownership of your Premises changes, you are responsible for returning the Equipment to us in an undamaged condition, subject only to reasonable wear and tear. Failure to return any Equipment owned by us within 30 days as instructed by Verizon, or returning Equipment in a damaged condition (subject only to reasonable wear and tear), will result in the imposition of an Equipment fee that may be substantial. If the Equipment is affixed with a label which includes the following (or similar) message, "PROPERTY OF VERIZON. DO NOT REMOVE FROM PREMISES," then you must not remove the Equipment and you will not be charged an Equipment Fee as long as the Equipment is left in place in reasonable condition (subject only to reasonable wear and tear.)

(c) In the event that any Equipment is stolen, you are required to provide us with a copy of the police report to verify that such Equipment was reported stolen. If no report is produced, then you will be held financially responsible for the stolen Equipment.

(d) Fios TV Equipment and Other Devices are priced separately from the price of the Service or Bundled Services plan, and may not be subject to the price protection applicable to the Service or Bundled Services plan in a term agreement or promotional offer.

(e) You may be required to pay certain Equipment-related fees, such as restocking fees and/or exchange fees.

10. TERMINATION OF SERVICE; TERMINATION FEES.

(a) You or Verizon may terminate the Service at any time and for any reason by giving notice to the other in accordance with the notice provisions set forth in this agreement. Unless otherwise required by applicable law, termination will be effective on the last day of that month's billing cycle, and you are responsible for all charges incurred through the date of termination. Installation or setup fees paid at the initiation of the Service, if any, are not refundable. If a termination is a result of violation by you of the terms of this agreement, you may also be liable to pay an Early Termination Fee as set forth in Section 10(b). We may, at our sole discretion, refuse to accept your subsequent request for Service following a termination or suspension of your use of the Service. If your Service is terminated for any reason, you may be required to pay a reconnection fee or additional deposit before the Service is reactivated.

(b) EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, IF YOU HAVE CHOSEN TO SUBSCRIBE TO A BUNDLED SERVICES PLAN WITH A MINIMUM TERM COMMITMENT, IF ANY OF THE BUNDLE SERVICES ARE TERMINATED BY YOU OR BY US BEFORE COMPLETING YOUR MINIMUM TERM, THEN YOU AGREE TO PAY VERIZON THE EARLY TERMINATION FEE SET FORTH IN THE BUNDLED SERVICES PLAN YOU HAVE CHOSEN.

11. PRICING AND PAYMENT.

In consideration for your receipt of the Service and use of any Equipment or Other Devices, you agree to pay us as follows:

(a) Service Fees. Billing for the Service will begin automatically:
(i) upon installation of the Service if the Service is installed by Verizon or (ii) on the Due Date established by Verizon (after the Equipment, and any applicable Other Devices, has been delivered) if the Service is self-installed by you. Billing will continue until the Service is terminated in accordance with Section 10 (a) of this Agreement. You will begin receiving any discount associated with a Bundled Services plan once all the Bundled Services have been

installed. Regular Service and Equipment (and, if applicable, Other Devices) charges are billed each month in advance. You agree to pay us in advance, at our rates in effect at the time, through all periods until the Service is terminated in accordance with Section 10 (a) of this Agreement. Other transactional charges, such as for On Demand or Pay Per View Services, are billed after the applicable service or feature has been ordered or provided to you. You may also be required, based on your ordering and payment history, to provide pre-billing statement payment by credit card or such other payment method as we may designate for transactional services such as On Demand or Pay Per View Services. You agree to pay all applicable charges for the Service and Equipment or Other Devices by the due date set forth in your monthly invoice. Rates for the Service and other charges (excluding charges detailed in Section 11(b) – (d)) may be changed by us at any time, subject to the provision of prior notice to you as required by law. If we provide you with notice, it will be provided as set forth in Section 14 below. Rates for On Demand and Pay Per View Services may change at any time. Your billing statement may also contain certain other charges (including, without limitation, taxes and other governmental fees, as well as charges such as franchise fees, account activation and installation charges, franchise related costs, surcharges, reactivation fees, customized setup fees, late payment charges on past-due balances, returned payment fees, Early Termination Fees and other nonrecurring charges) and you agree to pay such other charges by the due date set forth in your billing statement. The waiver of any fees or charges is at our discretion. If you cancel any component of a Bundled Services plan, the monthly charges for the remaining services on your account will automatically convert to the applicable existing non-discounted monthly service rate.

(b) Plans with Minimum Terms. If you subscribe to a Bundled Services plan with a term commitment, you agree to maintain such services for the minimum term of that plan. At the end of your term, you may be given the option to select a new Bundled Services plan. If you do not select a new Bundled Services plan, your account will automatically convert to a month-to-month plan at a monthly fee that may be higher than your current rate. If you subscribe to a new Bundled Services plan, the terms of that plan will apply.

(c) Third-Party Charges. You acknowledge and agree that you may incur charges with third-parties that are separate and apart from the Service Fees charged by us. These may include charges resulting from accessing online services or purchasing products and services through interactive options available through the Service, and may include additional service and data charges or fees from a wireless or internet service provider (which may be a third party or a Verizon affiliate). You are solely responsible for all charges payable to third parties or Verizon affiliates, including all applicable taxes. In addition, you are solely responsible for

protecting the security of credit card and other personal information provided to others in connection with such transactions.

(d) **Late Fees.** If we do not receive your full and complete payment by the due date, we may charge you a late fee on the unpaid balance and may also terminate or suspend your Service. In the event we utilize a collection agency or resort to legal action to recover an unpaid balance, you agree to reimburse us for all expenses incurred to recover such unpaid balance, including reasonable attorneys' fees and costs. If you fail to pay on time and Verizon refers your account(s) to a third party for collection, a collection fee will be assessed and will be due at the time of the referral to the third party. The fee will be calculated at the maximum percentage permitted by applicable law, not to exceed 18 percent.

(e) **Customer Deposits.** We may require that you provide us with a refundable deposit ("Customer Deposit") prior to or upon the activation or reactivation of the Service. We may also require an additional Customer Deposit after activation of the Service if you fail to pay any amounts when due hereunder or seek to upgrade your Service. We may apply Customer Deposits against any unpaid amounts at any time. Within ninety (90) days of termination of Service, we shall return a sum equal to the Customer Deposit, without interest unless otherwise required by law, minus any amounts due on your account including, without limitation, any amounts owed to us for unreturned or damaged Equipment.

(f) **Questions About Your Billing Statement.** Subject to applicable law, if you intend to dispute a charge on your billing statement, you must contact us within 60 days of your billing date you receive the bill in question. **UNDISPUTED PORTIONS OF YOUR BILLING STATEMENT MUST BE PAID BY THE DUE DATE TO AVOID A LATE FEE AND POSSIBLE SUSPENSION OR TERMINATION OF THE SERVICE.**

(g) **Payments.** Except as otherwise permitted under applicable law, you agree that you will pay your bill by check, credit or debit card, electronic funds transfer payments or such other payment method as we may designate. The outstanding balance is due in full each month. If any bank or other financial institution refuses to honor any payment, draft or instrument submitted for payment to your account, we may charge you a fee in accordance with applicable law. Based on your election and subject to our approval, Verizon or its agent will bill you directly, or bill your charge card or local Verizon telephone bill (where available). **IF YOU ELECT TO BE BILLED ON YOUR VERIZON PHONE BILL, BY USING THE SERVICES, YOU AGREE TO HAVE ALL SERVICE CHARGES INCLUDED ON YOUR PHONE BILL. IF YOU SUBSCRIBE TO A BUNDLED SERVICES PLAN, THEN ALL OF THE BUNDLED SERVICES MUST BE BILLED ON YOUR VERIZON PHONE BILL.**

(h) **Consents Regarding Credit.** We may evaluate your credit history before modifying or providing you Service. In order to establish an account with us and/or obtain or modify the Service, you hereby authorize us to obtain a report from a consumer credit agency and to exchange information with others in connection with determining your creditworthiness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

(i) **Complaint Procedures.** If you have any concerns regarding customer service, billing, or service quality, please contact us via the methods set forth in your monthly invoice or in the "Contact Us" section of verizon.com. When you contact us, please explain the nature and history of the problem. We will try to promptly resolve your concern. If we are unable to resolve your concern, we will notify you that we are unable to do so and explain the reason why.

(j) **Braille and Large Print Bills.** For information about receiving your Verizon bills in either Braille or Large Print, call 1-800-974-6006, Monday–Friday, 8:30am–5:00pm.

12. WARRANTIES AND LIMITATION OF LIABILITY.

(a) **Service Interruptions.** The Service may be interrupted from time to time for a variety of reasons, and Verizon does not represent or warrant that the Service or the Equipment, or any Other Devices, will be available or perform in a manner that meets your needs. Verizon will not be liable for any inconvenience, loss, liability or damage resulting from any preemption, loss, blackout or interruption of the Service, directly or indirectly caused by or resulting from any circumstances, including, without limitation, any circumstance beyond Verizon's reasonable control, including, but not limited to, causes attributable to you or your property, inability to obtain access to the Premises, failure of a communications satellite or our network, inability to access or interruptions in accessing Programming, loss of use of poles or other utility facilities, strike, labor dispute, riot or insurrection, war, explosion, act of terrorism, malicious mischief, fire, flood or other acts of God, failure or reduction of power, or any court order, law, act or order of government restricting or prohibiting the operation or delivery of the Service.

(b) **YOU ACKNOWLEDGE AND AGREE THAT THE SERVICE SUPPLIED HEREUNDER IS PROVIDED ON AN "AS IS" OR "AS AVAILABLE" BASIS, WITH ALL FAULTS. EXCEPT AS OTHERWISE SPECIFICALLY SET FORTH IN THIS AGREEMENT AND AS OTHERWISE SPECIFICALLY SET FORTH IN ANY MANUFACTURER WARRANTY FOR ANY EQUIPMENT OR OTHER DEVICES PROVIDED BY VERIZON (BUT ONLY IF SUCH WARRANTY IS INCLUDED**

WITH SUCH EQUIPMENT OR OTHER DEVICES), VERIZON (AND ITS OFFICERS, EMPLOYEES, PARENT, SUBSIDIARIES, AND AFFILIATES), (COLLECTIVELY THE "VERIZON PARTIES"), ITS THIRD-PARTY LICENSORS, PROVIDERS AND SUPPLIERS, DISCLAIM ANY AND ALL WARRANTIES AND CONDITIONS FOR THE SERVICE, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, NON-INFRINGEMENT, NON-INTERFERENCE, TITLE, COMPATIBILITY OF COMPUTER SYSTEMS, COMPATIBILITY OF SOFTWARE PROGRAMS, INTEGRATION, AND THOSE ARISING FROM COURSE OF DEALING, COURSE OF TRADE, OR ARISING UNDER STATUTE. ALSO, THERE IS NO WARRANTY OF WORKMANLIKE EFFORT OR LACK OF NEGLIGENCE. NO ADVICE OR INFORMATION GIVEN BY VERIZON OR ITS REPRESENTATIVES SHALL CREATE A WARRANTY WITH RESPECT TO ADVICE PROVIDED.

(c) VERIZON DOES NOT WARRANT OR GUARANTEE THAT SERVICE CAN BE PROVISIONED TO YOUR LOCATION, OR THAT PROVISIONING WILL OCCUR ACCORDING TO A SPECIFIED SCHEDULE, EVEN IF VERIZON HAS ACCEPTED YOUR ORDER FOR SERVICE. THE PROVISIONING OF SERVICE IS SUBJECT TO NETWORK AVAILABILITY AND THE CONDITION OF WIRING INSIDE YOUR LOCATION, AMONG OTHER FACTORS. IN THE EVENT YOUR LINE IS NOT PROVISIONED FOR ANY REASON, NEITHER YOU NOR VERIZON SHALL HAVE ANY DUTIES OR OBLIGATIONS UNDER THIS AGREEMENT OTHER THAN YOUR OBLIGATION TO RETURN ANY EQUIPMENT).

(d) IN NO EVENT SHALL THE VERIZON PARTIES OR VERIZON'S THIRD-PARTY LICENSORS, PROVIDERS OR SUPPLIERS BE LIABLE FOR: (A) ANY DIRECT, INDIRECT, PUNITIVE, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOSS OF REVENUE, LOSS OF PROGRAMS OR INFORMATION OR DAMAGE TO DATA ARISING OUT OF THE USE, PARTIAL USE OR INABILITY TO USE THE SERVICE, OR RELIANCE ON OR PERFORMANCE OF THE SERVICE, REGARDLESS OF THE TYPE OF CLAIM OR THE NATURE OF THE CAUSE OF ACTION, INCLUDING WITHOUT LIMITATION, THOSE ARISING UNDER CONTRACT, TORT, NEGLIGENCE OR STRICT LIABILITY, EVEN IF VERIZON HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH CLAIM OR DAMAGES, OR (B) ANY CLAIMS AGAINST YOU BY ANY OTHER PARTY.

(e) THE LIABILITY OF THE VERIZON PARTIES, OR (SUBJECT TO ANY DIFFERENT LIMITATIONS OF

LIABILITY IN THIRD-PARTY END-USER LICENSE OR OTHER AGREEMENTS) OUR THIRD-PARTY LICENSORS, PROVIDERS OR SUPPLIERS, FOR ALL CATEGORIES OF DAMAGES SHALL NOT EXCEED A PRO RATA CREDIT FOR THE MONTHLY FEES (EXCLUDING ALL NONRECURRING CHARGES, REGULATORY FEES, SURCHARGES, FEES AND TAXES) YOU HAVE PAID TO VERIZON FOR THE SERVICE DURING THE SIX (6) MONTH PERIOD PRIOR TO WHEN SUCH CLAIM AROSE, WHICH SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY REGARDLESS OF THE TYPE OF CLAIM OR NATURE OF THE CAUSE OF ACTION. THE FOREGOING LIMITATIONS SHALL APPLY TO THE FULL EXTENT PERMITTED BY LAW, AND ARE NOT INTENDED TO ASSERT ANY LIMITATIONS OR DEFENSES WHICH ARE PROHIBITED BY LAW.

(f) ALL LIMITATIONS AND DISCLAIMERS STATED IN THIS SECTION 12 ALSO APPLY TO VERIZON'S THIRD-PARTY LICENSORS, PROVIDERS AND SUPPLIERS, AS THIRD-PARTY BENEFICIARIES OF THIS AGREEMENT.

(g) THE REMEDIES EXPRESSLY SET FORTH IN THIS AGREEMENT ARE YOUR SOLE AND EXCLUSIVE REMEDIES. YOU MAY HAVE ADDITIONAL RIGHTS UNDER CERTAIN LAWS (SUCH AS CONSUMER LAWS), WHICH DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF THESE LAWS APPLY, OUR EXCLUSIONS OR LIMITATIONS MAY NOT APPLY TO YOU.

13. INDEMNIFICATION.

You agree to defend, indemnify and hold harmless the Verizon Parties from and against all liabilities, costs and expenses, including reasonable attorneys' and experts' fees, related to or arising from your use of the Service, the Equipment, and any Other Devices used in connection with the Service (or the use of your Service or any such Equipment or Other Devices by anyone else), (i) in violation of applicable laws, regulations or this Agreement including, without limitation, infringement of copyrights or other proprietary rights; or (ii) in any manner that harms any person or results in the personal injury or death of any person or in damage to or loss of any tangible or intangible (including data) property.

14. NOTICES.

If either of us intends to seek arbitration under this Agreement, the party seeking arbitration must first notify the other party of the dispute in writing at least 30 days in advance of initiating the arbitration. Notice to Verizon of either arbitration or mediation should be sent to NoticeOfDispute@verizon.com or to Verizon Dispute Resolution Manager, One Verizon Way, VC54N090, Basking Ridge, NJ 07920. A copy of the Notice of Dispute form

can also be found at www.verizon.com/terms/disputes. The notice must describe the nature of the claim and the relief being sought, in the manner directed in the applicable arbitration or mediation Section of this Agreement. Other notices required under this Agreement shall be provided by you by contacting us via the methods set forth in your monthly invoice or in the Contact Us section of verizon.com. Our notices to you shall be deemed given: (a) when sent by e-mail to your last-known e-mail address according to our records; (b) when delivered over the cable system; (c) when deposited in the United States mail addressed to you at your last-known address; (d) when hand-delivered to your Premises, as applicable or (e) when included in our billing statements to you, regardless of whether billing statements are mailed to you or you have elected a paperless billing option.

15. GENERAL PROVISIONS.

(a) **Survival.** All obligations of the parties under this Agreement, which, by their nature, would continue beyond the termination of the Agreement, including, without limitation, those relating to Limitation of Liability and Indemnification, shall survive such termination.

(b) **Assignment.** You agree not to assign or otherwise transfer this Agreement, or your rights and obligations under it, in whole or in part, to any other person. Any attempt to do so shall be void. Furthermore, you agree to notify us of any changes of ownership of, or occupancy in, the Premises immediately upon such transfer of ownership or change in occupancy. We may freely assign all or any part of this Agreement with or without notice to you and you agree to make all subsequent payments as directed.

(c) **Applicable Law.** Except as otherwise required by law, you and Verizon agree that the Federal Arbitration Act and the substantive laws of the state and local area in which your Premises is located (the "Service Jurisdiction"), without reference to its principles of conflicts of laws, will be applied to govern, construe and enforce all of the rights and duties of the parties arising from or related in any way to the subject matter of this Agreement. **UNLESS YOU AND VERIZON AGREE OTHERWISE, YOU AND VERIZON CONSENT TO THE EXCLUSIVE PERSONAL JURISDICTION OF AND VENUE IN AN ARBITRATION OR SMALL CLAIMS COURT LOCATED IN THE SERVICE JURISDICTION FOR ANY SUITS OR CAUSES OF ACTION CONNECTED IN ANY WAY, DIRECTLY OR INDIRECTLY, TO THE SUBJECT MATTER OF THIS AGREEMENT.** Except as otherwise required by law, including the Service Jurisdiction laws relating to consumer transactions, any cause of action or claim you may have with respect to the Service must be commenced within one (1) year after the claim or cause of action arises or such claim or cause of action is forever waived.

(d) Waiver. Verizon's failure at any time to insist upon strict compliance with any of the provisions of this Agreement shall not be construed to be a waiver of such terms in the future. If any provision of this Agreement is determined to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect and the unenforceable portion shall be construed as nearly as possible to reflect the original intentions of the parties.

(e) Entire Agreement. This Agreement, including any policies or materials that are incorporated herein by reference, constitutes the entire agreement between you and Verizon with respect to the subject matter hereto and supersedes any and all prior or contemporaneous agreements whether written or oral. No changes by you to this Agreement shall be effective unless agreed to in writing, signed by an authorized person at Verizon.

16. VOLUNTARY MEDIATION.

Verizon offers customers the option of participating in a free internal mediation program. This program is entirely voluntary and does not affect either party's rights in any other aspect of the dispute resolution procedures outlined in Section 17. In our voluntary mediation program, we will assign an employee who is not directly involved in the dispute to help both sides reach an agreement. That person has all the rights and protections of a mediator and the process has all of the protections associated with mediation. For example, nothing said in the mediation can be used later in an arbitration or lawsuit. If you would like to know more, or you would like to start the mediation process, please contact us at NoticeOfDispute@verizon.com or through Verizon Dispute Resolution Manager, One Verizon Way, VC54N090, Basking Ridge, NJ 07920, for a Notice of Customer Dispute Form. A copy of the Notice of Dispute form can also be found at www.verizon.com/terms/disputes. Fill out and send the Notice of Dispute Form to us according to the directions on the form.

17. ARBITRATION OR SMALL CLAIMS ACTIONS.

We hope to make you a happy customer, but if there's an issue that needs to be resolved, this Section outlines what's expected of both of us. YOU AND VERIZON BOTH AGREE TO RESOLVE DISPUTES ONLY BY ARBITRATION OR IN SMALL CLAIMS COURT. THERE IS NO JUDGE OR JURY IN ARBITRATION, AND THE PROCEDURES MAY BE DIFFERENT, BUT AN ARBITRATOR CAN AWARD YOU THE SAME DAMAGES AND RELIEF, AND MUST HONOR THE SAME TERMS IN THIS AGREEMENT, AS A COURT WOULD. IF THE LAW ALLOWS FOR AN AWARD OF ATTORNEYS' FEES, AN ARBITRATOR CAN AWARD THEM TOO. WE ALSO BOTH AGREE THAT:

(a) The Federal Arbitration Act applies to this Agreement. Except for small claims court cases that qualify, any dispute that in any way relates to or arises out of this agreement or from any equipment, products and services you receive from us (or from any advertising for any such products or services) will be resolved by one or more neutral arbitrators before the American Arbitration Association ("AAA"). You can also bring any issues you may have to the Better Business Bureau ("BBB"), attention of federal, state, or local government agencies, and if the law allows, they can seek relief against us for you.

(b) UNLESS YOU AND VERIZON AGREE OTHERWISE, THE ARBITRATION WILL TAKE PLACE IN THE COUNTY OF YOUR SERVICE JURISDICTION. For claims over \$10,000, the AAA's arbitration rules will apply; in such cases, the loser can ask for a panel of three new arbitrators to review the award. For claims of \$10,000 or less, the party bringing the claim can choose either the AAA's rules or, alternatively, can bring an individual action in small claims court. You can get procedures, rules and fee information from the AAA (www.adr.org) or from us. For claims of \$10,000 or less, you can choose whether you would like the arbitration carried out based only on documents submitted to the arbitrator, or by a hearing in-person or by phone.

(c) THIS AGREEMENT DOES NOT ALLOW CLASS OR COLLECTIVE ARBITRATIONS EVEN IF THE AAA PROCEDURES OR RULES WOULD. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, THE ARBITRATOR SHALL NOT HAVE THE POWER TO DETERMINE THAT CLASS ARBITRATION IS PERMISSIBLE. THE ARBITRATOR ALSO SHALL NOT HAVE THE POWER TO PRESIDE OVER CLASS OR COLLECTIVE ARBITRATION, OR TO AWARD ANY FORM OF CLASSWIDE OR COLLECTIVE REMEDY. INSTEAD, THE ARBITRATOR SHALL HAVE POWER TO AWARD MONEY OR INJUNCTIVE RELIEF ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF WARRANTED BY THAT PARTY'S INDIVIDUAL CLAIM. NO CLASS OR REPRESENTATIVE OR PRIVATE ATTORNEY GENERAL THEORIES OF LIABILITY OR PRAYERS FOR RELIEF MAY BE MAINTAINED IN ANY ARBITRATION HELD UNDER THIS AGREEMENT. NO RULE WILL APPLY IF IT CONFLICTS WITH THE PROVISIONS OF THIS AGREEMENT. IN ADDITION, NOTWITHSTANDING ANY CONTRARY PROVISION IN THE AAA RULES, THE ARBITRATOR WILL BE BOUND TO APPLY LEGAL PRINCIPLES AND THE LAWS THAT GOVERN THIS AGREEMENT, AND DOES NOT HAVE THE POWER TO AWARD ANY RELIEF THAT IS NOT AUTHORIZED BY SUCH LAWS.

(d) IF EITHER OF US INTENDS TO SEEK ARBITRATION UNDER THIS AGREEMENT, THE PARTY SEEKING ARBITRATION MUST FIRST NOTIFY THE OTHER PARTY OF THE DISPUTE IN WRITING AT LEAST 30 DAYS IN ADVANCE OF INITIATING THE ARBITRATION. Notice to Verizon should be sent to NoticeOfDispute@verizon.com or to Verizon Dispute Resolution Manager, One Verizon Way, VC54N090, Basking Ridge, NJ 07920. The notice must describe the nature of the claim and the relief being sought. If we are unable to resolve our dispute within 30 days, either party may then proceed to file a claim for arbitration. Verizon will pay any filing fee that the AAA charges you for arbitration of the dispute. If you provide us with signed written notice that you cannot pay the filing fee, Verizon will pay the fee directly to the AAA. If that arbitration proceeds, we'll also pay any administrative and arbitrator fees charged later, as well as for any appeal to a panel of three new arbitrators (if the arbitration award is appealable under this agreement).

(e) We may, but are not obligated to, make a written settlement offer any time before the arbitration evidentiary hearing begins (or, if there is no evidentiary hearing, before the parties complete submission of their evidence to the arbitrator). The amount or terms of any settlement offer may not be disclosed to the arbitrator until after the arbitrator issues an award on the claim. If you do not accept the offer and the arbitrator awards you an amount of money that is more than our offer but less than \$5000, or if we do not make you an offer and the arbitrator awards you any amount of money but less than \$5000, then we agree to pay you \$5000 instead of the amount awarded. In that case we also agree to pay any reasonable attorneys' fees and expenses, regardless of whether the law requires it for your case. If the arbitrator awards you more than \$5000, then we will pay you the amount awarded.

(f) An arbitration award and any judgment confirming it apply only to that specific case; it cannot be used in any other case except to enforce the award itself.

(g) IF FOR SOME REASON THE PROHIBITION ON CLASS ARBITRATIONS SET FORTH IN SUBSECTION 17(c) CANNOT BE ENFORCED, THEN THE AGREEMENT TO ARBITRATE WILL NOT APPLY.

(h) IF FOR ANY REASON A CLAIM PROCEEDS IN COURT RATHER THAN THROUGH ARBITRATION, YOU AND VERIZON AGREE THAT THERE WILL NOT BE A JURY TRIAL. YOU AND VERIZON UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY WAY. IN THE EVENT OF LITIGATION, THIS PARAGRAPH MAY BE FILED TO SHOW A WRITTEN CONSENT TO A TRIAL BY THE COURT.

EXHIBIT B
ON DEMAND SERVICES

Verizon On Demand Services provide a multi-screen viewing function for certain Fios TV content, and is included as part of your Fios TV Services.

Your use of On Demand Services is conditional upon your continued adherence to the Verizon Online Terms of Service and the Fios TV Terms of Service, located at <https://www.verizon.com/terms> and of Verizon's Acceptable Use Policy, which is included in Exhibit B. In the event of any conflict between these Verizon Fios TV Terms of Service and the Verizon Online Terms of Service, the Verizon Fios TV Terms of Service will control solely to the extent of such conflict.

1. Definitions.

"Content" shall mean video, audio, image or other files or data in digital or electronic form of any type provided through the Service.

"On Demand Library Content" means the collection of rented or unlimited/purchased On Demand Content, as defined below.

2. User Account. You must establish and/or maintain a "My Verizon" account at <http://verizon.com/myverizon> and enable such My Verizon account to license On Demand Content (on a rental or unlimited basis). Your "My Verizon" account will then become an "On Demand Enabled Account."
3. Authorized Devices. In order to access the On Demand Library Content, you will need a compatible viewing device, such as a PC or a portable/handset device, that (i) meets the minimum technical requirements that Verizon may establish from time to time, (ii) supports the digital rights management system, if any, required for access to the On Demand Library Content, and (iii) has been registered with your On Demand Enabled Account (each, a "On Demand Authorized Device"). You can register up to five (5) On Demand Authorized Devices per On Demand Enabled Account, and if you subscribe to Fios TV, all of your set-top boxes within a single household will count as one of your allotted On Demand Authorized Devices. In order to register and de-register portable On Demand Authorized Devices, you should connect the device to a PC that is itself an On Demand Authorized Device, although we may provide you the ability to register a device remotely. You are only permitted to de-register two (2) On Demand Authorized Devices per On Demand Account per calendar year without connecting through your PC and you are only permitted to de-register and re-register the same On Demand Authorized Device two (2) times within a calendar year.

4. On Demand Service Description & Conditions of Use

4.1 On Demand Service allows you to access and view On Demand Content in a variety of ways:

- a. by streaming On Demand Content to your TV through a Verizon-supplied Fios TV set-top box;
- b. by downloading On Demand Content to your PC through either a website or via Access Software; and
- c. by downloading On Demand View Content to an authorized and compatible PC, wireless handset or portable device, or other customer equipment supporting media playback. Verizon may enable you to stream On Demand Content to your device.

4.2. On Demand Service Requirements. Internet access is required to use the Services. You are solely responsible for compliance with any minimum system requirements, and for obtaining, installing, configuring, and maintaining suitable equipment and software, including any necessary system or software upgrades, patches or other fixes, which are or may become necessary to access the Services. You acknowledge that delivery of Content is dependent on variables not under Verizon's control, including, but not limited to, the speed and availability of your broadband or network connection. You may experience delays or technical difficulties caused by or related to such variables, as well as the technical limitations of the On Demand Authorized Device on which you view the On Demand Library Content. To the extent permitted by applicable law, you will not receive a refund or credit for any Content that you are not able to view or have difficulty viewing due to such variables. You bear all responsibility for ensuring that you have the viewing capabilities to view Content in the appropriate format or at all.

4.3. The On Demand Service is intended solely for your non-transferable, non-commercial, private and personal use, and any other use or attempted use for commercial or other purposes is strictly prohibited. You understand and agree that advertisements, as well as certain communications from Verizon such as service announcements and administrative messages, are part of the Services and are necessary for Verizon to provide the Services

4.4. Digital Licenses for On Demand Content. Regardless of the use of the word "purchase," and except as set forth herein, all On Demand Content is offered for license, not purchase or sale, and is subject to this Agreement and any other license terms and conditions applicable to the On Demand Content,

including limitations imposed by the use of any digital rights management technology. On Demand Content can be licensed in two ways:

4.4.1. Purchased On Demand Content: When you purchase On Demand Content, the payment of a purchase fee will entitle you to access the purchased On Demand Content for viewing on Authorized Devices an unlimited number of times over an indefinite period of time. Purchased On Demand Content will continue to be accessible if you are no longer a Fios TV customer, but your use of such On Demand Services will be subject to the terms of this Agreement.

4.4.2. Rented On Demand Content: When you rent On Demand Content, the payment of a rental fee will entitle you to access the rented On Demand Content for viewing on one or more Authorized Devices an unlimited number of times over a fixed period of time, typically 24 hours from the purchase or initial playback of the Rented On Demand Content. Upon the payment of the rental fee, you may be given the option to "Watch On This Screen" or "Watch on Any Screen".

4.4.2.1. If you select "Watch On This Screen", you can watch the Rented On Demand Content only on the specific On Demand Authorized Device on which the payment of the rental fee was made. The rented title will be downloaded to such On Demand Authorized Device, and it will be viewable as many times as you like for a viewing period of 24 (or in some cases up to 48) hours from the time you first initiate playback of the rented title. You must not delete the digital file from local storage prior to initiating playback, and you must initiate playback within 30 days of your rental purchase.

4.4.2.2. If you select "Watch On Any Screen", you will have 24 (or in some cases up to 48) hours from the time of the payment of your rental fee to watch (and if necessary, download) the title as many times as you like on any of your On Demand Authorized Devices. However, only one of your On Demand Authorized Devices may play back the Rental Content at any one time.

4.4.3. Upon the payment of either a purchase or rental fee, Verizon grants you a limited, non-exclusive, revocable, non-transferable license to use the On Demand Content solely for your personal, non-commercial/non-public, entertainment use.

4.5. Purchased On Demand Content Availability. Once you purchase or rent On Demand Content, you bear the responsibility for completing download and/or use and for all risk of loss of the purchased and downloaded On Demand Content. Verizon encourages you to download or access your Purchased On Demand Content immediately after purchase.

4.5.1. Purchased On Demand Content may become unavailable for streaming (including streaming to your TV via a Verizon Fios TV set-top box) or re-download due to Content provider licensing and other restrictions, and Verizon will not be liable to you if Purchased On Demand Content becomes unavailable for further download, streaming and/or use.

4.5.2. Re-delivery of purchased On Demand Content. Verizon can only re-deliver to you the digital files containing Purchased On Demand Content a maximum of two (2) times during any calendar year.

4.5.3. Restrictions on Streamed Viewing. On Demand Content that you choose to watch online through your Web browser or other compatible devices are limited to two concurrent streams (including any streams delivered to the TV via a Fios TV set-top box) from the same account at any one time. In addition, the concurrent streams must be different titles as a single On Demand title cannot be streamed to two locations at the same time. We can only deliver On Demand Content to access points within the United States.

4.6. Reservation of Rights. All Content provided by Verizon or its third party licensors on any website or other resource provided by Verizon at which On Demand Content may be purchased, including, without limitation, images, animations, previews, video programming, information services, audio, music, and text, irrespective of the manner or format in which such Content is delivered, is the property of Verizon or its licensors. You understand and acknowledge that your rights with respect to On Demand Content are limited by copyright law. All rights regarding use of On Demand Content not expressly granted

in this Agreement are reserved by Verizon and/or its licensors.

4.7. **General Restrictions.** The Services are intended for use within the United States. You agree to follow all rules and policies applicable to the Services, including required or automated updates, modifications and/or reinstallations of Access Software or other software and obtaining available patches to address security, interoperability and/or performance issues. You also agree: (i) to comply with all applicable laws, rules and regulations when using the Services and accessing or viewing On Demand Library Content; and (ii) not to reverse engineer, decompile, disassemble or otherwise tamper with or modify any of the security features, usage restrictions or other Service components for any reason (or help anyone else to do so).

5. **Data Charges.** You acknowledge and agree that you may also incur data charges or fees from a wireless or internet service provider (which may be Verizon or a third party) for accessing online services or purchasing products and services through interactive options available through the Service. You are solely responsible for all charges or fees payable to Verizon or third parties, including all applicable taxes. In addition, you are solely responsible for protecting the security of credit card and other personal information provided to others in connection with such transactions.

EXHIBIT C
ACCEPTABLE USE POLICY

1. General Policy: Verizon reserves the sole discretion to deny or restrict your Service, or immediately to suspend or terminate your Service, if the use of your Service by you or anyone using it, in our sole discretion, violates the Agreement or other Verizon policies, is objectionable or unlawful, interferes with the functioning or use of the Internet or the Verizon network by Verizon or other users, or violates the terms of this Acceptable Use Policy ("AUP").

2. Specific Examples of AUP Violations. The following are examples of conduct which may lead to termination of your Service. Without limiting the general policy in Section 1, it is a violation of the Agreement and this AUP to:
 - (a) access without permission or right the accounts or computer systems of others, to spoof the URL, DNS or IP addresses of Verizon or any other entity, or to penetrate the security measures of Verizon or any other person's computer system, or to attempt any of the foregoing;

 - (b) transmit uninvited communications, data or information, or engage in other similar activities, including without limitation, "spamming", "flaming" or denial of service attacks;

 - (c) intercept, interfere with or redirect email or other transmissions sent by or to others;

 - (d) introduce viruses, worms, harmful code or Trojan horses on the Internet;

 - (e) post off-topic information on message boards, chat rooms or social networking sites;

 - (f) engage in conduct that is defamatory, fraudulent, obscene or deceptive;

 - (g) violate Verizon's or any third party's copyright, trademark, proprietary or other intellectual property rights;

 - (h) engage in any conduct harmful to the Verizon network, the Internet generally or other Internet users;

 - (i) generate excessive amounts of email or other Internet traffic;

 - (j) use the Service to violate any rule, policy or guideline of Verizon;

- (k) use the service in any fashion for the transmission or dissemination of images containing child pornography or in a manner that is obscene, sexually explicit, cruel or racist in nature or which espouses, promotes or incites bigotry, hatred or racism; or
 - (l) download or use the Service in Cuba, Iran, North Korea, Sudan and Syria or to destinations that are otherwise controlled or embargoed under U.S. law, as modified from time to time by the Departments of Treasury and Commerce.
3. Copyright Infringement/Repeat Infringer Policy. Verizon respects the intellectual property rights of third parties. Accordingly, you may not store any material or use Verizon's systems or servers in any manner that constitutes an infringement of third party intellectual property rights, including under US copyright law. In accordance with the Digital Millennium Copyright Act (DMCA) and other applicable laws, it is the policy of Verizon to suspend or terminate, in appropriate circumstances, the Service provided to any subscriber or account holder who is deemed to infringe third party intellectual property rights, including repeat infringers of copyrights. In addition, Verizon expressly reserves the right to suspend, terminate or take other interim action regarding the Service of any Subscriber or account holder if Verizon, in its sole judgment, believes that circumstances relating to an infringement of third party intellectual property rights warrant such action. These policies are in addition to and do not affect or modify any other rights Verizon may have under law or contract. If you believe that copyrighted material has been used in violation of this policy or otherwise been made available on the Service in a manner that is not authorized by the copyright owner, its agent or the law, please follow the instructions for contacting Verizon's designated Copyright Agent as set forth in Verizon's Copyright Policy located at <http://www.verizon.com/copy.html>.
4. Verizon may, but is not required to, monitor your compliance, or the compliance of other subscribers, with the terms, conditions or policies of this Agreement and AUP. You acknowledge that Verizon shall have the right, but not the obligation, to pre-screen, refuse, move or remove any content available on the Service, including but not limited to content that violates the law or this Agreement.

1. Equipment may be required (see equipment prices section). Listed monthly prices do not include equipment fees. Unless otherwise provided in the Terms of Service, Verizon-supplied equipment must be returned if the service is terminated or an unreturned equipment fee will apply. A fee also applies for damaged equipment.
2. The Spanish Language Package cannot be combined with La Conexión/Fios TV Mundo Total/Fios TV Mundo.
3. Tech visit charge assessed when technician determines repair problem is related to a customer's equipment or wiring (unless customer has an Inside Wiring Maintenance Plan). Fee does not apply if a repair is associated with Verizon service or equipment.
4. A service repair visit charge is assessed when a technician visit is required for general service education, to repair problems related to in-home wiring or to connect or reconnect the service to customer-owned equipment. A service visit charge is not assessed when the repair or maintenance is related to the service itself or Verizon-owned equipment.
5. Rates shown are for new subscribers and vary based on subscriber tenure. Rates do not include taxes, franchise fees and other charges paid to federal, state and local governments.
6. A Regional Sports Network Fee of up to \$5.99 applies monthly to Fios TV Preferred HD, Fios TV Select HD, Fios TV Custom (with Sports Plus channel pack and with Sports and More), Fios TV Extreme HD, Fios TV Ultimate HD and Fios TV Mundo Total packages.
7. Single rental fee applies per account.
8. A Broadcast Fee of \$2.99 applies monthly to all Fios TV packages.

Service/program availability varies by location and the number of channels within each package is an approximation. Pricing applies to residential use only within the United States and is subject to change. Taxes, franchise fees and other terms apply.

Terms of Service Update Effective 1/17/16

The Verizon Internet, Fios TV, and Fios Digital Voice Terms of Service will be updated effective January 17, 2016. Among other items, there is a change to the way charges are billed upon termination of the service(s). To view the Terms of Service, visit verizon.com/terms.

Verizon Remittance Address Change Notification

Please be advised that the payment address reflected in the remittance section of your bill will change.

Effective with January invoices, payments should be mailed to the following address:

VERIZON
PO Box 15124, Albany NY 12212-5124

If you submit check payments via online banking, please update your account with the new Verizon payment address to ensure accurate delivery.

Changes to Directory Listing Services

On March 19, 2016, the monthly price is changing for the following service:
Non-Published Service from \$4.75 to \$4.90

Verizon values your business and offers many services that can enhance your Internet, TV and phone experience.

Changes to Directory Assistance Service

On March 19, 2016, the price for Directory Assistance is increasing from \$2.49 to \$2.75 per call. Verizon values your business and offers many services that can enhance your Internet, TV and phone experience.

Surcharges

Surcharges include:

- a Federal Subscriber Line and Access Recovery Charge applicable to state-to-state and international services that helps pay for the costs of providing and maintaining the local phone network;
- a Federal Universal Service Charge applicable to state-to-state and international services to recover fees imposed on us by the government to support universal service;
- a Carrier Cost Recovery Charge applicable to long distance customers that helps defray our costs for terminating calls on other networks, fees paid to support government programs such as Telecommunications Relay Service and local number portability, and other Federal Communications Commission-assessed charges;
- a Long Distance Administrative Charge applicable to long distance customers to help defray account servicing costs for state-to-state and international calling;

- a Federal Regulatory Fee applicable to recover the annual per video subscriber fee payment made to the FCC; and,
- a FDV Administrative Charge applicable per Fios Digital Voice line to help defray account-servicing costs associated with providing voice services.

Please note that the surcharges are charges, not taxes. These charges, and what is included in these charges, are subject to change from time to time. For additional information regarding the charges on your Verizon bill, please visit verizon.com or call the number listed on your bill.

FUSF Fee Changes January 1, 2016

Your Federal Universal Service Fund (FUSF) fee may change on January 1, 2016. Authorized and reviewed quarterly by the FCC, the FUSF funds programs to keep local telephone rates affordable for all customers and provides discounts to schools, libraries, rural health care providers, and low-income families.

Overview of Fiber To The Premises (FTTP) Deployment

FTTP is a key Verizon corporate initiative to provide voice, cable television and very high speed data services. FTTP uses fiber-optic cable and optical electronics to directly link homes and many businesses to the Verizon network. The fiber network being deployed can support cable television and, where appropriate, Verizon will seek to provide cable service to customers. Key objectives include, but are not limited to, the delivery of higher customer satisfaction, superior performance (network, applications & technical support), and an installation process that surpasses the Cable, DBS and DSL experience today.

- Verizon Communications companies began deploying FTTP in twelve states in 2004. Verizon had passed six million homes with FTTP in sixteen states by the end of 2006.
- Cable television services deployment will be a subset that is ancillary to the voice and data FTTP services. Select FTTP-enabled wire centers will be deployed for cable service in the first instance.

Service Overview

The FTTP Network will enable provision of a feature rich and fully competitive cable television offering. The major components of the cable television services which Verizon will offer to consumers will include:

- Basic tier, including local and Public, Educational, and Governmental (PEG) channels as requested by and as negotiated with the community
- Expanded Service tiers
- Premium channel tiers
- Pay Per View (PPV)
- HDTV channels
- Digital music channels
- Digital Video Recorder (DVR)
- Interactive programming guide (IPG)
- Inside coax cable wire installation

Product Offers

For residential customers, Verizon will initially offer Broadcast Television, High Definition TV (HDTV), Digital Video Recorders (DVR), Interactive Programming Guide (IPG) and Pay Per View (PPV) Movies and Events. The Broadcast Television offering will consist of both a Basic Service tier and an Expanded Service tier. The Basic Service tier will include local, educational/government (EG) channels and select cable channels. The Expanded Service tier will include all channels carried on the Basic Service tier as well as additional cable channels, premium cable channels, Spanish language channels, international channels, digital music channels, an interactive program guide (IPG), HDTV programming (for subscribers with an HD STB) and PPV programming. Customers will be charged a monthly recurring fee for each set top box (STB) based upon model. The customer will be offered the option to upgrade STBs to include support for HDTV, or a combined HD DVR STB for additional monthly fees.

In addition to organizing and informing the customer of the programming line-up, the system is designed from its outset to be an active two-way system for subscriber interaction, if any, required for the selection or use of cable service. The IPG will support on-screen program control, parental controls, timers, search, and ordering of PPV services. Pay Per View allows subscribers to pay for and watch prescheduled programming events on an on-demand basis. PPV movies or events will be selected from the IPG. Authorization for billing will occur at the time of purchase. Events begin at pre-scheduled intervals (*i.e.*, programming is not immediately available). Customers will purchase PPV either as discrete events or in pre-defined packages.

Service Delivery/Connection Method

Connection Method

At initial deployment, an installation and maintenance (I&M) technician will connect the Optical Network Terminal (ONT) to a central point of demarcation where a cable television I & M technician will make final connections to provide the cable television service. After the installation of the ONT, a cable television field technician will test the existing in-home coaxial cable to determine if it is technically acceptable and will connect the service. If no coaxial cable exists or the coaxial cable is unacceptable, the technician will install wiring to the first cable outlet, and will install new coaxial wiring to other locations identified by the customer at the customer's request and expense. The customer may choose to self-install such wiring, or to obtain inside wiring installation service from a third party or Verizon.

Connection Method: Set Top Box

The technician will have a set top box that will need to be installed near the TV. The technician will connect a coaxial cable from the wall outlet to the set top box and another coaxial cable from the set top box to the TV. The technician will also connect the customer's VCR and/or DVD device and check for proper operation. A fee may be charged for non-standard installations involving multiple components such as surround sound systems or other electronic equipment. This process will be followed for any boxes installed.

When a set top box is installed the technician will call the service center at which point the certain services previously ordered by the customer will be activated. A remote command will be issued to the set top box in real time to turn the purchased service(s) on.

Connection Method: PPV

The set top box provides access to the service. Customers will use their remote control to purchase the programming they desire. Purchases will appear on the monthly bill.

Equipment Changes and Re-Configurations

When a customer changes the in-home configuration (e.g., moving a set top box from one TV to another), the customer will be able to accomplish this change without reconfiguring the set top box.

FTTP System Architecture

End-to-End Architecture

Figure 1 shows the architecture topology for supporting service across multiple market areas. A brief summary of the end-to-end architecture follows. Subsequent sections provide more information on each major component within the planned Verizon FTTP overlay architecture.

Figure 2 shows full build and overlay architecture.¹ FTTP will be built instead of copper facilities in new communities. In existing communities, the existing copper network will continue to serve those customers who have not migrated to the FTTP network. The fiber is deployed from a Central Office location within a wire center area.

Figure 1-High Level End to End Architecture

¹Verizon will use its existing Title II authority to upgrade its network, and fiber optic cables for the FTTP will be built instead of copper facilities. Verizon will use its existing right-of-way access to upgrade its network.

Figure 2-FTTP Full Build and Overlay Architectures

At the national or regional level, a "super" headend (SHE) shall serve as the single point of national content aggregation (see Figure 1). All content shall be encoded into MPEG2 streams and transported over nationwide SONET services. In each market where Verizon seeks to offer cable service, the broadcast cable television traffic is off loaded from the long haul network and terminated at a Video Hub Office (VHO). Network redundancy and route diversity shall extend from the SHE to the VHO.

The VHO serves as the metro or local point of aggregation. It is here that off-air and PEG channels (where appropriate) are combined with the broadcast cable television coming from the SHE. The IPG shall be controlled from this site, also. The service that exits the VHO shall look like the final product viewed by the end user subscriber.

Cable television traffic is converted to optical signals at the VHO and transported over Verizon's metro area, inter-office facilities (IOF) to Video Serving Offices (VSOs). Voice and high-speed data signals are combined with the cable television at this location for final transport to the subscriber premises over Verizon's FTTP Passive Optical Network (PON).

At the premise, the optical cable television signal is de-multiplexed and converted to an electrical signal, which meets cable television industry standards for cable services. Standard home wiring practices, using coaxial cables, as well as alternative media, shall distribute the signal to cable ready TVs and standard set top boxes.

There will be 24x7 control and surveillance of the cable television platform from a remote location. This Network Operations Center (NOC) will be centrally located and shall be responsible for the operation and maintenance of the Conditional Access System (CAS), which directs the encryption functions performed back at the VHO.

Super Headend (SHE)

A "super" headend (SHE) shall serve as the single point of national content aggregation. At general service availability, Verizon shall deploy a primary SHE and an additional SHE for redundancy.

Both the primary and redundant SHEs will be strategically located to ensure technical and environmental requirements are met.

The key functions of the SHE include:

Content Reception

Signal Processing

Encoding

Network Interface

The majority of cable television sources shall be individual content provider programming. A mix of standard and high definition formats shall be supported. All content shall be encoded into MPEG2 streams, formatted for SONET, and transported via an OC48c to a local point-of-presence (POP) for wide area (national) transport.

Wide Area Transport

In support of the cable television service, Verizon will use OC48c SONET facilities in the POPs serving target cable markets. Where multiple POPs exist within a market, redundancy options shall dictate if a single or multiple POPs shall be designated for supporting the cable television traffic.

In most cases, it is expected that the cable television traffic shall traverse multiple interconnected rings between the SHE and the destination market. Once the cable traffic reaches a POP located in a target market, it will be forwarded to an OC48c SONET interface connected to metro/local SONET facilities. These facilities shall connect the POP to a Video Hub Office (VHO). VHOs are capable of serving multiple communities

within a target market. If more than one VHO is required, the metro SONET ring(s) would be deployed to cover multiple sites.

Video Hub Office (VHO)

The VHO serves as the metro or local point of aggregation. The VHO location is based on a combination of technical factors, metro fiber/IOF availability, local channel reception characteristics, and municipal regulations (e.g., zoning ordinances).

Under current network design plans, the anticipated functions of the VHO include:

WAN Interface for Cable television Transport

Ad Insertion

PEG Content

Signal Grooming and Multiplexing

Emergency Alert Service

Interactive Program Guide

Conditional Access

Local Content

The VHO shall aggregate three basic sources of content: national broadcast channels, local broadcast channels, and PEG channels. The national content is the traffic sent from the SHE and is delivered via an OC48c SONET interface from the SONETPOP. The local broadcast channels shall be received off-air via antennas or terrestrial fiber transport located at the VHO site. The PEG channels shall be collected via terrestrial connections from each local franchising area (LFA) served by the VHO.

The final collection of content is placed into the RF spectrum between 50 – 870 MHz as either an analog AM-VSB signal or, as part of a digital multiplex, into a 256-QAM modulated carrier. Digital content requiring encryption by the CAS shall also be multiplexed into QAM modulators and combined with other analog and digital carriers. In addition, an out-of-band downstream channel is generated which carries the IPG, provisioning, and management messages to STBs. The combined RF signal is converted to optics and fed into EDFAs at egress from the VHO. These optical cable television signals are transported on the 1550 nm wavelength of the G.983-specified Enhancement band to Verizon Video Serving Offices (VSOs).

As noted previously, it is intended that the broadcast cable television traffic/service that exits the VHO shall look like the final product viewed by the end user subscriber.

Metro Area Transport

The optical cable television signals coming from the VHO are transported on the 1550 nm wavelength over fiber available within Verizon's inter-office facilities (IOF).

Video Serving Office (VSO) & Passive Optical Network

The VSO is a location within the central office containing FTTP equipment. If technically feasible or otherwise appropriate, PEG insertion may occur at this location in the network.

The key function of the VSO is to combine Broadcast Cable television into the Voice and High Speed Data FTTP Network

Once in the VSO, the optical cable television signal is sent through an EDFA and then to a Wave Division Multiplexer combiner and splitter, which is used to add the cable signal to the voice and high-speed data signals' wavelength (1490nm) – coming from the Optical Line Terminal – together with the cable wavelength onto a single optical source. This optical signal is then sent towards the subscriber premises via a PON. The VSO will also play a role in supporting upstream signals from the customer premises for PPV services. PPV usage data uses the data service's 1310nm upstream wavelength. The upstream data communications shall be sent back to a subscriber database located in the Operations Center located in the VHO.

Customer Premises

At the premise, an ONT de-multiplexes the 1550nm optical signal and simply converts it to a voice, data and cable television electrical signal, which meets cable television industry standards for cable services.

LEGAL AUTHORITY FOR FTTP BUILD OUT

Verizon, as a common carrier under Title II of the Communications Act of 1934 (the "Act"), is constructing its FTTP network as an upgrade to its existing telecommunications network. Verizon has the requisite authority to upgrade its network for enhanced voice and broadband services for the reasons discussed, in part below.

Verizon has the necessary Federal, state and local authorizations to upgrade its Title II telecommunications network, subject to customary time, place and manner permitting requirements. Specifically, Chapter 166, Section 21 of the General Laws of Massachusetts ("M.G.L.") grants Verizon the right to place its lines upon, along, under and across the public ways in the Commonwealth of Massachusetts. While a company must secure the permission of municipal officers to construct or alter a line in the public way pursuant to Chapter 166, Section 22 of the M.G.L., that section also provides that no municipal order is required for renewing, repairing or replacing wires, cables, or other facilities, or for making house connections or connections between existing conduits and poles, once erected under the provisions of the law.

The Title II services to be provided over Verizon's FTTP network are not subject to Title VI of the Act, Chapter 166A of the M.G.L., or Chapter 207 of the Code of Massachusetts Regulation (CMR), which regulate cable television service. Verizon plans to utilize FTTP to offer its customers enhanced voice and broadband data services. While FTTP may give Verizon the future capability of providing video service, the network is not subject to Title VI of the Act, Chapter 166A of the M.G.L. or Chapter 207 of the CMR (including any construction and maintenance requirements) unless and until the network constitutes a "cable system" as defined in Section 602(7) of the Act or a "community antenna television system" as defined in Section 1 of Chapter 166A of the M.G.L. This is triggered only when cable services, such as video programming, are provided to multiple subscribers within a community. As stated in Section 602(7) of the Act, "the term 'cable system' ... does not include ... (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of Title II of this Act, except ... to the extent that such facility is used in the transmission of video programming directly to subscribers." See Nat'l Cable Television Ass'n v. FCC, 33 F.3d 66 (D.C. Cir. 1994) (concluding that the FCC "reasonably interpreted the [Communications] Act to require that an entity obtain a cable franchise only when that entity selects or provides the video programming to be offered.") Moreover, Section 621(b)(3) of the Act further specifically prohibits franchising authorities from requiring cable franchises for the provision of telecommunications service or in any way restricting or impeding the provision of such service.

Report of Management on Internal Control Over Financial Reporting

We, the management of Verizon Communications Inc., are responsible for establishing and maintaining adequate internal control over financial reporting of the company. Management has evaluated internal control over financial reporting of the company using the criteria for effective internal control established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission in 2013.

Management has assessed the effectiveness of the company's internal control over financial reporting as of December 31, 2015. Based on this assessment, we believe that the internal control over financial reporting of the company is effective as of December 31, 2015. In connection with this assessment, there were no material weaknesses in the company's internal control over financial reporting identified by management.

The company's financial statements included in this Annual Report have been audited by Ernst & Young LLP, independent registered public accounting firm. Ernst & Young LLP has also provided an attestation report on the company's internal control over financial reporting.

Report of Independent Registered Public Accounting Firm on Internal Control Over Financial Reporting

To The Board of Directors and Shareowners of Verizon Communications Inc.:

We have audited Verizon Communications Inc. and subsidiaries' (Verizon) internal control over financial reporting as of December 31, 2015, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). Verizon's management is responsible for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Report of Management on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, Verizon maintained, in all material respects, effective internal control over financial reporting as of December 31, 2015, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of Verizon as of December 31, 2015 and 2014, and the related consolidated statements of income, comprehensive income, cash flows and changes in equity for each of the three years in the period ended December 31, 2015 and our report dated February 23, 2016 expressed an unqualified opinion thereon.

Report of Independent Registered Public Accounting Firm

To The Board of Directors and Shareowners of Verizon Communications Inc.:

We have audited the accompanying consolidated balance sheets of Verizon Communications Inc. and subsidiaries (Verizon) as of December 31, 2015 and 2014, and the related consolidated statements of income, comprehensive income, cash flows and changes in equity for each of the three years in the period ended December 31, 2015. These financial statements are the responsibility of Verizon's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Verizon at December 31, 2015 and 2014, and the consolidated results of its operations and its cash flows for each of the three years in the period ended December 31, 2015, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), Verizon's internal control over financial reporting as of December 31, 2015, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 23, 2016 expressed an unqualified opinion thereon.
