

**THE COMMONWEALTH OF MASSACHUSETTS  
MASSACHUSETTS DEPARTMENT OF TRANSPORTATION – HIGHWAY DIVISION  
NOTICE OF A PUBLIC INFORMATION MEETING  
Project File No. 606448**

A Public Information Meeting will be held by MassDOT to discuss the proposed deck patching and superstructure repairs on Bowker Overpass over Beacon Street, Commonwealth Ave and Muddy River and B-16-365 Storrow Drive Eastbound Viaduct in Boston, MA.

WHERE: **Mezzanine Conference Room  
Boston Public Library  
700 Boylston Street  
Boston, MA 02116**

WHEN: Monday, November 19, 2012 at 6:00 PM

PURPOSE: The purpose of this information meeting is to provide the public with the opportunity to become fully acquainted with the proposed deck patching and superstructure repairs on Bowker Overpass over Beacon Street, Commonwealth Ave and Muddy River and B-16-365 Storrow Drive Eastbound Viaduct project. All views and comments made at the meeting will be reviewed and considered to the maximum extent possible.

PROPOSAL: The proposed project consists of interim repairs to the superstructure and deck of the Bowker Overpass and associated ramps as well as the Storrow Drive Eastbound Viaduct over the Bowker Overpass entrance ramps. Accelerated deterioration of the bridge structures requires that these interim repairs be conducted during the preliminary phase of the Bowker Overpass Planning Study. Repairs to the viaduct will include beam-end repairs and deck patching. Repairs to the Bowker overpass will include pin-and-hanger-retrofits, deck patching and bridge rail replacement. These repairs are considered necessary to provide safe passage over and under the structures and to avoid unnecessary emergency repairs at inconvenient times.

Written views received by MassDOT subsequent to the date of this notice and up to five (5) days prior to the date of the meeting shall be displayed for public inspection and copying at the time and date listed above. Presentation items will be on display one-half hour before the meeting begins, with an engineer in attendance to answer questions regarding this project.

Written statements and other exhibits in place of, or in addition to, oral statements made at the public information meeting regarding the proposed undertaking are to be submitted to Thomas F. Broderick, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention.: Thomas P. Donald, P.E., Director Bridge Project Development. Such submissions will also be accepted at the meeting. Mailed statements and exhibits intended for inclusion in the public hearing transcript must be postmarked within ten (10) business days of this Public Hearing. Project inquiries may be emailed to [dot.feedback.highway@state.ma.us](mailto:dot.feedback.highway@state.ma.us)

This location is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (617-973-7171), TTD/TTY (617-973-7715), fax (617-973-7311) or by email ([MassDOT.CivilRights@dot.state.ma.us](mailto:MassDOT.CivilRights@dot.state.ma.us)). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten (10) business days before the meeting.

In case of inclement weather, hearing cancellation announcements will be posted on the internet at <http://www.massdot.state.ma.us/Highway/>
