**BOSTON  
PARKS AND  
RECREATION**

**Thursday September 4, 6:30 pm**  
Cristro Rey High School, 100 Savin Hill Avenue, Dorchester

# Savin Hill Park

## THE PROJECT:

As part of the Boston Parks and Recreation Departments continuing efforts to provide quality open space and recreation areas for use and enjoyment by all residents of the city, efforts are underway to make improvements to the PASSIVE portions of Savin Hill Park.

## WE NEED YOUR HELP!

We are looking for interested community members to help us in determining how the PASSIVE areas of Savin Hill Park will look and function in the future. At this second meeting, the input from the first community meeting will be reviewed, site priorities will be discussed and an initial site plan will be presented.

## WHAT TO EXPECT:

The Parks Department is very interested in what the community has to contribute to the design process. Representatives from Stantec Planning and Landscape Architecture, as well as a Parks Department official, will be on hand to give a brief presentation of this project, proposed improvements and project schedule. Following the presentation, community members will be able to offer input regarding the material presented, the passive program for the park, and this design process.
