**BOSTON
PARKS AND
RECREATION**

Monday, July 20, 2015 6:30 -8:00 pm
Grove Hall Community Center --- 51 Geneva Ave., Dorchester

Children's Park Playground- meeting 4

THE PROJECT:

As part of the Boston Parks and Recreation Department's continuing efforts to provide quality open space and recreation areas for use and enjoyment by all residents of the city, efforts are underway to make improvements to Children's Park.

WE NEED YOUR HELP!

The Parks Department is very interested in what the community has to contribute to the design process. The project will focus on the entire park area, including playground, water play, fencing and access. We need your help in determining how this playground will look and function in the future

WHAT TO EXPECT:

At this FINAL meeting, a review of the first three meetings, the site analysis and three park design concepts will take place. A combined definitive design will be presented and equipment palletes will be developed with the community's help.

Representatives from Spurr Design Studio, as well as a Parks Department official, will be on hand to give a presentation of the project scope and existing site conditions. Following this brief presentation, community members, including youth and children, will be able to offer input regarding the material presented, the program for the park, and the design process.

WE ARE LOOKING FORWARD TO RENOVATING THIS GREAT COMMUNITY ASSET AND WE HOPE TO SEE YOU AT THE MEETING!
