February 17, 2010

Councilor Mark Ciommo  
Chair, Committee on Ways and Means

Dear Chairman Ciommo,

Given the recent announcement of Fiscal Year 2011 cuts to the budget of the Boston Public Library, I ask that the Committee on Ways and Means convene its hearing on the BPL's budget as quickly as possible after the Council receives the budget. Please work with my office to ensure the hearing is scheduled for a time I can attend to discuss this important issue.

Sincerely,

Michael P. Ross
