- Whereas, during the last few years, the City Council has focused on the police overtime budget overruns; and
- Whereas, these over runs have raised questions regarding the effective maintenance of the police department budgets; and
- Whereas, an assessment by the City Council of the use of the overtime budget on the part of district commanders and the Commissioner would be a helpful tool in evaluating this years overtime budget recommendations. Therefore Be It
- Ordered, that the appropriate committee of the Boston City Council hold a hearing and invite the Commissioner of Police to discuss the use of the overtime by the Boston Police Department; and Be It Further;
- Ordered, that the public be invited to give their perspective on the use of police overtime at the district and headquarter level.
