City of Boston  
IN  
CITY COUNCIL

**RESOLUTION OF COUNCIL PRESIDENT MICHAEL P. ROSS and  
COUNCILOR STEPHEN MURPHY**

**WHEREAS:** Since its establishment in 1873, the Mounted Patrol has devoted its services to ensuring the safety and well-being of the City of Boston; and

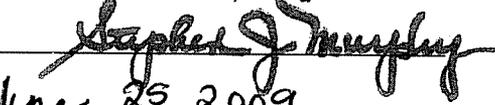

**WHEREAS:** The Mounted Patrol has patrolled the city and its parks and gardens for over a century. The unit has an advantage over the police cruisers who cannot thoroughly patrol areas like the Boston Common and the Back Bay Fens. The Mounted Patrol is a respected and admired ambassador to the citizens of Boston, and has ensured the safety of the public during rallies and riots, parades and celebrations; and

**WHEREAS:** As the oldest organized mounted patrol in the nation, the Mounted Patrol has a rich history in our city and has earned the respect of thousands of residents and visitors; **Therefore be it**

**RESOLVED:** That Boston City Council hereby offers its deep appreciation to **Seargent Christopher Walsh** Boston's Mounted Patrol for the services he has provided to the City of Boston, its citizens and its visitors, and congratulates him for a job well done.
