OFFICE OF THE MAYOR
THOMAS M. MENINO

October 5, 2010

TO THE CITY COUNCIL

Dear Councilors:

I hereby transmit for your approval an Order authorizing the City of Boston to accept and expend a grant in the amount of \$300,000.00 from the Department of Energy. This award is made for the purpose of the Solar Compactor Energy Efficiency Research Demonstration Project. The project will implement a city-wide installation of wireless enabled solar compactors with attached recycling units throughout Boston and conduct a comprehensive analysis of the impact on fuel and labor costs, carbon dioxide emissions, additional environmental effects, as well as the impact on the public's recycling habits.

I urge your Honorable Body to adopt this Order as soon as possible so that the City of Boston may accept the funds expeditiously and expend them for the purposes for which they were granted.

Sincerely,

Thomas M. Menino
