**Final Presentation by the
Fort Point Channel Study Committee
Wednesday, October 29, 2008
6:30 pm
Boston Children's Museum
308 Congress Street**

This is a public presentation of the work of the Study Committee to create a Study Report for the Fort Point Channel Landmark District as completed September 10, 2008. This meeting will be an informational presentation to the community and other interested parties prior to the Boston Landmarks Commission designation hearing for the Fort Point Channel Landmark District on November 10, 2008. (No further revision of the Study Report will be considered at this meeting).

- 1. Introduction to the Designation Process**
- 2. History and Significance of the District**
- 3. History of the Petition Process and Recent Activity in the District**
- 4. Overview of the Standards and Criteria**
- 5. Next Steps**
- 6. Question and Answer Session**

Projected Adjournment: 8:30 pm

The Study Report is available in the Environment Department, Room 805 of Boston City Hall, or on-line at www.cityofboston.gov/environment/fpc/default.asp. All written comment on the Study Report should now be directed to the Boston Landmarks Commission, c/o Katie McLaughlin, Boston City Hall Room 805, Boston, MA 02201. Emailed copies of written comment must include a signature. Written comment may be submitted until the end of the period for submission of written statements following the hearing on the Study Report on November 10, 2008. The period for submitting written statement after the hearing is three days, and may be extended at the discretion of the Chair of the Commission. All written statements will be taken into consideration by the Boston Landmarks Commission in their decision to designate the Landmark District. Please contact Katie McLaughlin at (617)635-3850 or at kathryn.mclaughlin@cityofboston.gov with any questions.
