# Licenses & Permits for Salon Owners

## A Letter From the Mayor, Thomas M. Menino

Dear Business Owner,

Thank you for opening a small business in our city and investing in Boston! Small businesses play an important role in our city: they provide quality jobs, help power our economy, and revitalize neighborhoods.

I know that opening a business is a significant undertaking, so my administration created this guide to help you through the permitting process. I hope you will explore it and all of the resources offered by the Boston Business Hub at [boston.gov/businesshub](http://boston.gov/businesshub).

Once again, I welcome you to Boston's business community and I thank you for your investment in our city.

Thomas M. Menino  
Mayor of Boston

## Salon Permitting Overview

This checklist describes the permitting process for new or expanding beauty salons in the City of Boston. Additional business registration requirements are outlined in the Office of Business Development (OBD) [Small Business Resource Guide](#). Customized permitting checklists, links to applications, and permit information are available at [boston.gov/businesshub](http://boston.gov/businesshub) through the Licensing & Permitting Wizard. For additional questions, please use the [Connect with an Expert](#) function on the Business Hub and you will be routed to the best expert for your question.

**This document can be found online, with active links, at**  
[www.cityofboston.gov/business/permitguides](http://www.cityofboston.gov/business/permitguides).

## Choosing a Location - Zoning & Occupancy

- ☐ Check zoning online by searching for parcel designation on the Boston Redevelopment Authority's [searchable map](#), then check whether beauty salons are allowed, Forbidden, or Conditional in the [Zoning Code](#) (by Neighborhood District in Articles 38-73).
- ☐ Check the building's existing legal use and occupancy online through the [Building Permit Search](#).
- ☐ The Inspectional Services Department (ISD) offers a one-on-one [Zoning Clinic](#) for zoning-related questions every Tuesday from 9am-12 noon at Plans and Zoning, Counter 2, 1010 Mass Ave 5th floor, Boston, MA.
- ☐ If you need to appeal to change the zoning or use, file a [Long Form](#) online and appeal to the [Zoning Board of Appeals](#) if your intended use is conditional or forbidden at that location.

## Designing the space - Construction & Building Approval

- ☐ For major construction or structural changes, file a [Long Form](#) online. For minor repairs, file a [Short Form](#) online. For more information on building permit types, visit [ISD's website](#).
- ☐ The Boston Fire Department (BFD) also requires permits for construction projects. Those applications and guidelines can be found at the [BFD's Construction Site Safety web page](#).
- ☐ Secure the appropriate building/plumbing/gas/electrical/mechanical permits through [ISD's on-line application system](#). Only licensed contractors may apply. Obtain all required inspections.
- ☐ [Certificate of Occupancy](#): If there is no existing Certificate of Occupancy, you're completing substantial construction, or if you are seeking to change the occupancy/use, apply at ISD Counter 3A with signed building card and final construction costs breakdown. Also see the BFD's [requirements](#) for Certificate of Occupancy.

## To Consider During Planning

- ☐ [Site Cleanliness License](#): Submit dumpster site plan, maintenance schedule, disposal contract, and rodent/pest control contract to ISD Environmental Services Division, 1010 Mass Ave, 4th Floor.
- ☐ Storefront Signage: If you are located in a [landmark building](#), [Historic District](#), or [Main Streets District](#), your signs will have to undergo design review with that board/organization. If not, they still may need to be reviewed by the [Boston Redevelopment Authority](#).
- ☐ [Flammability Certificates](#): (Flame Certs) Required for each item in the shop that could pose a fire hazard. This includes but is not limited to: any [carpet](#), [tapestry/ceiling tile](#), [curtain](#), any [upholstered chair](#), [couch](#), or [non-metal furniture](#) (including pedicure chairs), any [wallcovering](#), and other decorations.

## Salon Licenses & Permits

- ☐ [Nail Salon Permit](#): Required by Boston Public Health Commission (BPHC). It includes some construction and ventilation plan specifications, so read the [guidelines](#) early in the process.
- ☐ [Annual Permit](#): required by the Boston Fire Department to store certain flammable chemicals onsite.
- ☐ [Professional License](#): All personnel that will touch customers (hair stylist, masseuse, manicurist, etc) each must be licensed to do so. You can check your employees' licensure status on the State Division of Professional Licensure website.
- ☐ [Tanning Salon Permit](#): is issued by the Boston Public Health Commission and required to operate a tanning bed.

## Other Considerations - Additional Permits

- ☐ [Dumpster Placement Permit](#): For permanent (i.e. one year or longer) placement of a dumpster, file an [Annual Permit Application](#).
- ☐ [Alcoholic Beverages License](#): The number of available licenses is limited by State law; applicants must appear at a hearing to allow for neighborhood input. See the Boston Licensing Board website linked above for more information.

## Common Fees

<b>Certificate of Occupancy</b>	<b>Dumpster Placement Permit</b>
\$110	\$525
<b>Nail Salon Permit</b>	<b>Zoning Appeals Form</b>
\$100 + \$20/table or foot bath (after first 4 stations)	\$150 for each violation or \$150/violation on State Building Code
