## Boston Centers for Youth and Families

Quarter 3, Fiscal Year 2009

January 1, 2009 – March 31, 2009

Thomas M. Menino, Mayor

### Measure Notes

- Community center visits, youth development activities and athletic events and participants are generally higher in the summer and early fall when schools are not in session.
- Participants in citywide youth development activities and resource events: Activities with the highest attendance tend to occur in the fourth quarter, specifically the Youth Symposium in the spring and programs leading up to summer.
- Out-of-school children served: Summer camp enrollment is captured in the first quarter's data, which is significantly higher than our school year enrollment.
- Youth with disabilities served/Camp Joy Summer: This measure is collected annually at the end of August.

### Measure Definitions

**Community center visits:** This measure represents the total number of community center visits.

**Citywide youth development activities:** This measures the number of youth development activities, including college fairs, job fairs and summer camp fairs conducted by the department.

**Participants in citywide youth development activities:** This measures the number of youth who attend youth development activities, including college fairs, job fairs and summer camp fairs conducted by the department.

**Resource events provided:** This measures the number of public outreach meetings and events held by the department.

**Resource event participants:** This measure reflects the total number of participants attending resource events.

**Citywide athletic events:** This measures the number of one-time athletic events held by the department including tournaments and clinics, which should each be counted as one event.

**Citywide athletic event participants:** This measures the number of participants (enrollment) in one-time athletic events held by the department including tournaments and clinics.

**Youth reached by Streetworkers:** This measure represents the total number of youth reached by Streetworkers through referrals, interventions and youth development activities.

**Youth and families referred for services by Streetworkers:** This measures the number of referrals to services and resources made by Streetworkers.

**Pct. of childcare slots filled:** This measures the percentage of licensed slots filled by children enrolled in childcare programs across the BCYF network.

**Out-of-school children served:** This measure represents the total number of elementary, middle and high school students served by out-of-school time programs.

**Youth with disabilities served/Camp Joy Summer:** This measures the number of youth with disabilities served by the Camp Joy summer and school year programs.

**FTE:** This measure represents the number of full time equivalents in the department.

**Externally Funded FTE:** This measure represents the number of full time equivalents in the department funded by outside sources.

**% of Workforce-people of color:** This measure represents the percentage of people in the department which are not categorized as white.

**% of Workforce-women:** This measure represents the percentage of people in the department which are women.

**% of total person hours absent:** This measure represents the percentage of total hours lost due to sick, AWOL, FMLA & tardy, among others. Hours lost due to vacation, personal time, and injury are not included.

**Hours absent per employee:** This measure represents the total number of hours absent per employee. Hours absent includes such categories as Sick, FMLA, AWOL, & tardy, among others. It does not include lost time due to vacation, personal time, or injuries.
