Mayor Thomas Menino
One City Hall Square, Suite 500
Boston, MA 02201

Dear Mayor Menino,

Mr. Wynn has recently left two phone messages with your office. Neither call was returned. These calls were in addition to requests over the past few years for meetings to discuss our Company's interest in Massachusetts in general and the Boston area, specifically. Unfortunately, those requests received the same lack of response as Mr. Wynn's calls. Although our efforts to connect with you thus far have been unsuccessful, we trust that we will have the opportunity to speak at some point.

Please feel free to return Mr. Wynn's call at our hotel's main number (702.770.7000). The operator can usually reach him at any time.

Sincerely,

Kim Sinatra
