Mayor's Performance Report

Property & Construction Management

Quarter 3, Fiscal Year 2009

January 1, 2009 – March 31, 2009

Thomas M. Menino, Mayor

Measure Notes

- **Requests for Graffiti Removal:** The City receives a variety of requests for graffiti removal. Graffiti Busters, the division of Property & Construction Management that removes graffiti, focuses on the removal of large-scale tagging, removal of vulgar or graphic graffiti, and graffiti that is on private property. Other divisions of the City, including the Parks Department, Boston Public Schools and the Public Works Department handle most graffiti removal on property under their supervision.
- **Percentage of Graffiti Removal Calls Responded to Within 36 Hours:** This measure highlights the volume of removal requests that are for graffiti that is graphic or vulgar in nature. Most graffiti requests handled by this division take far longer to respond to, in large part, because the City needs a waiver from private property owners to remove graffiti from their property. Due to possible budget constraints in the future, the City may reduce the amount of graffiti removal service it provides for private property.
- **Attendees to Special Events:** This measure covers event attendance at both Faneuil Hall and City Hall Plaza. Fairly seasonal in nature; the measure gives a sense of the scale of event management and clean-up that this office must participate in. In recent years, this measure has been driven up by Boston's many sports-related championship rallies.
- **Hours Absent Per Employee:** This number is skewed high because of significant and long-term health issues for a small group of employees, rather than because of an across the board pattern of sick leave use.

Measure Definitions

Projects Substantially Completed: This represents the number of City construction projects, managed by the Property & Construction Management Department, that are substantially completed.
