\*\* Additionally, Sterling Suffolk Racecourse, LLC ("Sterling Suffolk") notes that it has either paid directly or reimbursed the Cities of Revere and Boston for expenses incurred in connection with reviewing the impacts of Sterling Suffolk's proposed project, negotiating a host community agreement, and holding the host community election. While Sterling Suffolk does not believe those payments, made pursuant to agreements with the cities, are community contributions, political contributions or contribution in kind, we disclose that from July 1, 2013 through December 31, 2013, Sterling Suffolk paid \$92,792.95 to the City of Revere or its agents and \$450,000 to the City of Boston or its agents for a combined total of \$542,792.95.

Sterling Suffolk is no longer an applicant for a gaming license, but files this form in an abundance of caution due to the fact that it was a gaming license applicant until November 27, 2013. Sterling Suffolk does not anticipate filing this form in the future.
