Ln #	Program Name	Brief Program Description	Amount (\$)	Cash, In-kind, or both	1-time or on-going	Who is Served	Program Initiator	Partners
1	Health Disparities Initiative	Asian Health Initiative was established to respond to the health needs of Boston's Chinatown community, which face linguistic and cultural barriers to access and care. Addresses issues that disproportionately impact this community, such as Hepatitis B, or which are underresourced, such as chronic disease management, increasing access to health insurance and medical services, and gambling. Current priorities are smoking cessation, diabetes, and obesity/healthy lifestyles.		Cash	on-going since 1995	Boston's low-income, primarily non-limited English speaking Asian residents	Chinatown community/institution	Asian American Civic Association, Boston Asian Youth Essential Service, Wang YMCA of Chinatown, Boston Chinatown Neighborhood Center, Greater Boston Chinese Golden Age Center
2	Health Disparities Initiative	Dorchester Health Initiative was established to meet health needs disproportionately affecting the Dorchester community, providing support to neighborhood organizations on a range of health priorities and disparities. Currently supporting programs addressing youth violence prevention, diabetes and obesity. Previous priorities have also included asthma and infant and maternal health.		Cash	on-going since 2004	residents of Boston's Dorchester neighborhood, focus on serving racial and/or linguistic minorities	Institution	Bird Street Community Center, Codman Square Health Center, Neponset Health Center, Kit Clark Senior Services, Sportsmen's Tennis Club, Viet-AID
3	Health Disparities Initiative	Parent to Parent Program addresses health disparities of infant mortality rates, working with low-income, primarily black, Latino and Asian women regarding pre- and post-pregnancy infant and maternal health, connecting them to vital community support resources and adequate medical care		Cash	on-going since 1992	low-income, primarily black, Latino and Asian women who reside in Dorchester and/or other Boston neighborhoods	Institution	Codman Square Health Center, La Alianza Hispana, Boston Healthcare for the Homeless, Uphams Corner Health Center, Dorchester House, Harbor Health Services, Boston Asian Youth Essential Service
4	Health Disparities Initiative	Support the health care needs of the South Boston, focusing on several health issues identified as disproportionately impacting this community: pediatric asthma, substance abuse, Hepatitis C, and youth violence prevention.		Cash	on-going since 2001	South Boston/Boston youth and adult residents	Institution	South Boston Community Health Center
5	Health Disparities/Community Health Initiatives	Long-term residential treatment for individuals suffering from alcohol and drug addiction via Cushing House, which serves young men and women with substance abuse issues who need a stabilizing transitional care residence. Residents have evidence of difficulty with traditional institutions and/or some experience with the court, social service or youth services system.		Cash	on-going	South Boston youth and/or adult residents	Institution/Gavin House	Gavin House Foundation
6	Health Disparities Initiative	Asthma Prevention and Management Initiative works with the local pediatric Asian community, providing regular educational workshops at the Josiah Quincy Elementary School to all of their asthmatic students, workshops for teachers, daycare providers, parents, and local residents, as well as home visits to assess environmental triggers and ensure compliance to medications		Cash	on-going since 2006	JQES students, kids participating in Chinatown youth provider programs, parents, teachers, other care givers/providers	Institution/Boston Public Health Commission	Josiah Quincy Elementary School, Boston Public Health Commission
