THE ALCOHOLIC BEVERAGES CONTROL COMMISSION ("ABCC") ADVISORY

**MASSACHUSETTS IDENTIFICATION CARD AS ACCEPTABLE PROOF OF AGE FOR
ALCOHOLIC BEVERAGES PURCHASE**

On July 30, 2012, the Governor approved Chapter 170 of the Acts of 2012 that amended M.G.L. c.138, §34B¹. As a result, beginning October 29, 2012, alcoholic beverages licensees may reasonably rely on the following forms of identification for proof of age:

1. A Massachusetts Driver's License;
2. A Massachusetts Liquor Identification Card;
3. A Massachusetts Identification Card;
4. A Passport Issued by the United States or a government that is officially recognized by the United States;
5. A Passport Card for a Passport issued by the United States; and
6. A Military Identification Card.

The RMV advises the ABCC that there are three versions of Mass ID cards on the street that are valid. One version (identified below as "Version 1") was issued prior to 2003 and may still be in effect because it did not have an expiration date. The next version (identified below as "Version 2") was in effect from 2004-2009 and has a five year expiration date so those issued in 2009 are valid until 2014. The current version (identified below as "Version 3") is being issued from 2010 to 2015.

We have attached all three versions so that alcohol servers are familiar with them since they have not been accepted up until now. Both the ABCC and the RMV would not want consumers of legal age with valid Mass ID cards to be denied service solely because the server didn't recognize a valid Mass ID card.

As always, licensees should ensure that they are in compliance with the laws of the Commonwealth of Massachusetts, M.G.L. c. 138, §64 and that the sales of alcoholic beverages take place only as authorized by state law. Individuals with questions concerning this advisory may contact, Ralph Sacramone at 617-727-3040 x 731.

(Issued: September 4, 2012)
