

COMMUNITY MEETING NOTICE  
You are invited to a meeting for renovations to:

# Allandale Woods Urban Wild

For more information, please see the reverse side or call Paul Sutton at the Boston Parks and Recreation Department (617) 961-3029 or email [Paul.Sutton@boston.gov](mailto:Paul.Sutton@boston.gov)

Monday, June 23, 2014 7:00 pm

Arnold Arboretum's Weld Hill Research Building, 1300 Centre Street, West Roxbury

## Allandale Woods

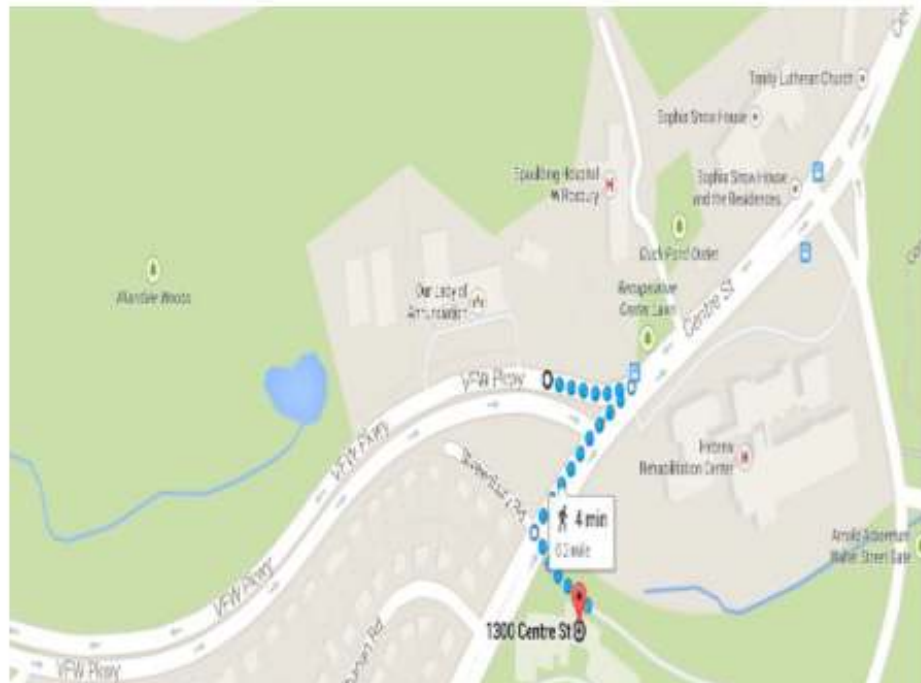

### THE PROJECT:

As part of the Boston Parks and Recreation Department's continuing efforts to provide quality natural and passive recreation areas for use and enjoyment by city residents, efforts are underway to make access improvements to the Allandale Woods Urban Wild.

### WE NEED YOUR HELP!

We are looking for interested community members to help us in determining how access and way-finding improvements will look and function in the future. Urban wild renovations such as this represent a unique opportunity to make improvement which better enable residents to explore and enjoy nature in the city, while still managing the areas for plant and wildlife conservation purposes.

### WHAT TO EXPECT:

Representatives from Kyle Zick Landscape Architecture, as well as the Parks Department Project Manager, will be on hand to give a brief presentation of the project scope including improvements to the trail-heads, site access, signage, and vegetation, as well as of the existing site conditions. Following this brief presentation, community members will be able to offer input regarding the material presented.
