**Disclaimer**

The information presented in these reports is not, nor should it be construed as, an assessment of the financial condition of the subject institutions. Neither does any report represent an analysis, conclusion, or opinion of the Treasury Department or NobleAssociates concerning the safety and soundness of a financial institution. The data presented in the reports has been compiled from a number of federal regulatory [and state regulatory] agencies. The data so compiled may not necessarily reflect current activity because of delays resulting from the time required to collect, tabulate and publish the data. While the City and NobleAssociates believe that they have used the most recent data available in the preparation of these reports, because of reporting delays, the data contained herein may not reflect current circumstances. Additionally, statistical data are approximations and generalizations subject to various sources of error inherent in the statistical process, and may be revised on the basis of additional data. The data contained herein describe past activity and are not presented with a view to predicting future results either in particular categories or in general. The sources used by the City and NobleAssociates to compile the data, which are cited herein, should be checked to ensure that the data have not been amended or revised subsequent to the date hereof.
