Summer Golf Course Management Program

APPLICATION FOR SUMMER WORK PROGRAM

(Application deadline April 1st)

*A program designed for young people between the ages of 15 – 18 (high school ages) that have an interest in developing an understanding of golf course management and course maintenance. Various duties include but are not limited to turf management, specific course maintenance projects, pro shop operations, and tournament support. To be considered for this challenging program, **you must be registered on the SuccessLink and accurately complete this application.** Space is limited.*

*Every candidate who applies will be scheduled for an interview. Each interview will take approximately thirty minutes. The questions asked will be golf related and help us determine your interest in the program. Upon receiving and accepting a job with the Summer Golf Course Management Program you will receive a letter detailing how to get processed and the date for our Summer Golf Course Management Program orientation. All interested candidates must register on the **SuccessLink** to be eligible to work in this program.*
