

Community Benefits Report City of Boston Fiscal Year 2013

INSTITUTION NAME: Beth Israel Deaconess Medical Center

BIDMC
FISCAL FY 2012 (Oct 1, 2011-Sept 30, 2012)
YEAR:

Beth Israel Deaconess Medical Center offers a diverse range of programs to fulfill its community benefit mission "to serve our patients compassionately and effectively, and to create a healthy future for them and their families...We have a covenant to care for the underserved and to change disparities in access to care." The chart below highlights several of our Community Benefits programs that benefit residents of Boston. The full Community Benefits report detailing all of our initiatives, in excess of \$25,000,000, may be found at www.bidmc.org.

**BIDMC
FISCAL
YEAR:**

FY 2012 (Oct 1, 2011-Sept 30, 2012)

Program Name	Brief Program Description	Amount (\$)	Cash, In-kind, or Both	1-time or Ongoing	Who is Served	Program Initiator	Partners
Access to preventive primary care for medically underserved communities	Provide outreach grants to health centers to enable them to identify and link individuals who experience health disparities with preventive care. The grants support education and programs for the low-income, racially, ethnically and linguistically diverse, medically vulnerable Boston residents. Partner with community health centers to increase access to quality patient-centered medical homes that include primary care, mental health and oral health for individuals who are low-income, unininsured, underinsured. Particular focus on individuals who face barriers due to race, ethnicity, sexual orientation, and linguistic and literacy limitations.	\$2,257,105	Cash & In-kind	ongoing	Low income Boston residents with particular focus on racially, ethnically, and linguistically diverse cohorts (46% low income; 49% best served in a language other than english; 13% African American; 40% Asian; 20% Hispanic/Latino)	Institution	The Dimock Center, Fenway Health, Joseph M. Smith Community Health Center, Sidney Borum Jr. Health Center, South Cove Community Health Center
BIDMC Enhanced Public Safety Investments	BIDMC works collaboratively with the Boston Police Department and State and Federal authorities to significantly enhance public safety investments impacting our campus, including Bowdoin Street Health Center, surrounding neighbors, and City residents. These investments, in highly trained law enforcement personnel and enhanced technology, proactively and significantly reduce the risk of public safety threats to employees, patients, visitors, and the larger neighboring communities, ensure real-time monitoring and swift diffusion of immediate threats, and provide heightened readiness in times of enhanced national and local risk in this post 9/11 world.	\$807,415	In-kind	ongoing	BIDMC community, including patients and visitors in/around BIDMC facilities	Institution	Boston Police Department/State Police
Boston Emergency Medical Services Station No. 16	Boston EMS Station No. 16, the base station and quarters for Ambulance #16 and Paramedic Unit #16, is located in facilities owned and maintained by BIDMC. Station facilities provided by BIDMC include garage, storage/mechanical rooms, and office/kitchen/living quarters to house Boston EMS equipment and personnel. Station No. 16's strategic location allows Boston EMS to reduce response times for emergency medical services and enhances its ability to protect the safety and health of Boston residents by preventing and mitigating emergencies throughout Boston.	\$163,665	Cash & In-kind	ongoing	Boston residents, especially residents of Longwood, Fenway, Mission Hill, Roxbury areas	Institution	Boston Emergency Medical Services
