RE: Proposed Wynn Development and Freedom of Information Request for Public Records

Dear Attorney Mejia,

I am writing to you to follow up on the City of Boston's public records request to the City of Everett, dated August 9, 2013. As you are aware, the City of Boston sent the City of Everett a public records request for information on the proposed Wynn development so that the City of Boston can better understand the Wynn proposal. Your reply letter, received on August 22nd, provided a cost estimate of \$851.92 for the documents that the City of Boston requested. On August 22, 2013, the City of Boston sent by certified mail a check payable to the City of Everett for the request amount. Can you please: (1) provide the requested documents, and/or (2) provide a time estimate of when the City of Boston can expect these documents?

Thank you for your attention to this matter. Please do not hesitate to contact me with any information you can provide.

Very truly yours,

Elizabeth Dello Russo
Senior Assistant Corporation Counsel
