## **Bicyclist Safety Bill**

it Safety Bill is la ions What it d

### **Map Methodology**

The first edition of this map was created in from more than 200 cyclists.

#### **Massachusetts Law** States That Bicycles **Are Vehicles**

The top five things you need to know about bikes and the law: Were law: Bicycles are considered vehicles, and therefore they belong on the road. Bicycles must stop at all stop signs and red lights, rid in the same direction as traffic, and obey all other traffic laws.

- traffic laws. Front and rear lights are required if riding after dark Bicycles may use the entire lane of traffic if need be for safety.
- Bicycles may only ride on sidewalks outside of business districts, unless otherwise prohibited. Riding in the road

#### Within the State of Massachusetts, a cyclist's

ights allow: Riding on any public road, street, or bikeway in the Commonwealth, except limited access or express highways where signs specifically prohibiting bikes been posted. Riding on sidewalks outside business districts, local laws prohibit sidewalk riding.

Using either hand to signal stops and turns.
Passing cars on the right.
