Mayor's Performance Report

Property & Construction Management

Quarter 3, Fiscal Year 2010
January 1, 2010 – March 31, 2010

Performance Highlights

- The City of Boston's Animal Control Division adopted out more pets in FY10 Q3 than it had projected. The Division expects to achieve even more in FY10 as part of the Mayor's Animal Pet Adoption campaign. Responding to a reported higher instance of pet abandonment, the Animal Control Division is working with other local non-profits to find safe and caring homes for dogs, cats, and other pets.
- The City's Graffiti Busters Unit managed to perform nearly as many graffiti removal projects as it received in requests to date in FY10. The number of graffiti requests removed in 36 hours comes in below the performance target, however this is partially explained by the fact that offensive and/or vulgar graffiti did not occur as much as originally anticipated.
- Attendees to special events covers event attendance at both Faneuil Hall and City Hall Plaza. Fairly seasonal in nature, this measure gives a sense of the scale of event management and clean-up that Property Management must participate in. In recent years, this measure has been driven up by Boston's many sports-related championship rallies, but with no such sports celebrations to date in FY10, attendance dropped below previous years' results.
- In FY10 Q3, the Property Management Division substantially completed a variety of major construction projects that will help green municipal operations, improve City services, and lower the City's operational costs. Some of the highlights included the roof and gym floor replacement at Orchard Gardens Community Center, entrance door improvements at Boston City Hall and building envelope repairs at Boston Fire Department Engine 41. Also in Q3, designers were selected for repairs to the seawall at Moon Island and for building envelope repairs at the Boston Police Training Academy. We also completed design for renovations at the Shelburne Community Center, improvements to the Mozart, Perry and Mather School yards, renovations at BFD Engine 51, repairs to Mirabella Pool and roofs at 1010 Mass Ave and the Animal Shelter.

Measure Notes

- **Requests for Graffiti Removal:** The City receives a variety of requests for graffiti removal. Graffiti Busters, the division of PCM that removes graffiti, focuses on the removal of large-scale tagging, vulgar or graphic graffiti, and graffiti that is on private property. Other divisions of the City, including the Parks Department, Boston Public Schools and the Public Works Department handle most graffiti removal on property under their supervision.
- **Percentage of Graffiti Removal Calls Responded to Within 36 Hours:** This measure highlights the volume of removal requests that are for graffiti that is graphic or vulgar in nature. Most graffiti requests handled by this division take far longer to respond to, in large part because the City needs a waiver from private property owners to remove graffiti from their property. Due to possible budget constraints in the future, the City may reduce the amount of graffiti removal service it provides for private property.
- **Hours Absent Per Employee:** This number is skewed high because of significant and long-term health issues for a small group of employees, rather than because of an across the board pattern of sick leave use.
