

SAMPLE ONLY

Boston Food Truck – Site Evaluation Form

Date: 4/22/11

Neighborhood: Back Bay / Prudential

Nearest Street Address or Landmark: Christian Science - Childrens Fountain
Across from 100 Belvidere Street

Street length available for food trucks within legal parking spaces (in feet): _____

3 parking spaces on Belvidere (60')

Would this work for a smaller (10') truck? yes

Clustering opportunity (20' between trucks)? no How many trucks? -

Notes on traffic (i.e., busy intersection, congested): busy traffic intersection

Width of sidewalk (must be 8' wide and have at least 4' clear): 8' wide sidewalk, plus adjacent plaza

Is there ample queuing space for customers? yes

List street furniture, parking meters (include serial numbers), street trees, ADA ramps, etc.: _____

varies: light poles, trees on plaza

Parking meters: BAxxx, BAxxx, BAxxx

Note ALL existing signage in place (include photograph of signage in the 360 degree picture attached to application): "No Parking" zone is adjacent to street parking and intersection (please see attached photo)

Evaluation of pedestrian environment: good - Admin bldg has many tenants

Are there public restrooms nearby? Prudential Center mall/restaurants

Are there any BPS High Schools close by? no

List all existing businesses within 100' in each direction: Cheesecake Factory,
P.F. Chang's, Thornton's, Prudential Mall,
all across street

Note location of building entrances: varies

If existing business is a restaurant, do they serve take-out? no

Type of cuisine? -

Likely times this would be a good location for a food truck:

Weekdays Weekends

Breakfast Lunch Dinner maybe Late Night no (residential area)

Seasons – is there anything that would prevent a truck from operating in one season over another?

perhaps not winter - windy location

Proximity to established residential buildings/neighborhoods: 100 Belvidere is

across street; St. Botolph neighborhood is nearby

Proximity to established commercial districts: immediate proximity

to Admin and Colonnade Buildings

Does this location seem like it would be a good site for a specific type of food truck (i.e., cupcakes, coffee, sandwiches, or a specific cuisine)? no

Is there space for seating or is there existing seating nearby? yes, in plaza

Overall rating for site / other comments: we think this is a great site!
